Spring 2013
Concurrent Enrollment Partnership (CEP) Program
MA 116 - College Algebra & COMPASS Exam Information

MA 116 College Algebra is one of several Concurrent Enrollment Partnership (CEP) courses in which qualified high school students may earn both high school and WU academic credit.

Students must have **a minimum 3.0 GPA** and the approval of the high school (and their parent or legal guardian if under 18 years of age) to enroll in the MA 116 course. Students must also have achieved **a score of 22 or higher on the ACT Math Exam** or the equivalent COMPASS Exam score. 9th grade students must have a gifted designation to participate in CEP courses, and both 9th and 10th grade students must have the approval of the WU College of Arts & Sciences to participate.

The COMPASS Math Exam may be taken on the WU campus on the dates listed below. The exam normally takes less than an hour to complete. **Students must register for the exam with the high school CEP program liaison at least one week prior to the exam date.** Space is limited so early registration is encouraged.

COMPASS Math Exam Dates – Morgan Hall Room 122
4:00 pm on Wednesday, Oct 10
4:30 pm on Wednesday Oct 24
4:30 pm on Thursday, Nov 1
Please arrive 15 minutes prior to the exam times shown above.

The student's assigned exam number will then be sent to the school's CEP program liaison. A photo ID and the $10 fee must be provided by the student at the start of the exam. The fee is payable by cash or check at the time the exam is taken. Checks should be made payable to Washburn University.

The high school CEP liaison will be notified within three working days of the exam whether or not students are eligible to enroll in the MA 116 College Algebra CEP course. A few sample practice exam questions are available at http://www.act.org/compass/sample/pdf/geometry.pdf.
