

Mathematics and Statistics Scholarships

Application form for **Transfer** Students

A limited number of competitive, merit-based scholarships are available through the Mathematics and Statistics Department for qualified transfer students who plan to major in a Mathematics and Statistics Department degree program. The Mathematics and Statistics Department at Washburn offers degree tracks in Mathematics, Mathematics for Secondary Education, Actuarial Science, and Applied Statistics.

Qualification Criteria for Scholarship Recipients

Scholarship recipients will be selected from those applicants who satisfy the criteria listed below.

1. A declared major in Mathematics, Mathematics for Secondary Education, Actuarial Science, or Applied Statistics;
2. A grade point average of at least 3.0 overall and at least 2.75 in mathematics courses taken at Washburn numbered 151 and above;
3. Making adequate progress towards earning a Mathematics and Statistics Department Degree (e.g., Must take at least one class required for the degree each semester, must pass at least 12 hours per semester.)

Then, during the academic year the funds are awarded, scholarship recipients are expected to meet the following criteria. (Applicants may petition the Scholarship Committee for an exception if extenuating circumstances apply.)

1. Be enrolled full-time at Washburn (at least 12 hours per semester);
2. Enroll in at least seven hours of mathematics courses at the level of Calculus I (MA 151) or above during each academic year, with at least 3 of those hours during the first semester.

Scholarship recipients will receive half of their scholarship award during the fall semester at Washburn, with the remainder awarded at the beginning of the spring semester. Award amounts will depend on the student's grades in mathematics courses, their academic standing (freshman, sophomore, junior, or senior), and the level of their involvement in mathematics department activities (Math Club, tutoring, etc.).

An application form is provided on this page and the next. Applications received by **March 31** will receive highest priority. Applications must be submitted by e-mail to Dr. Jennifer Wagner at jennifer.wagner1@washburn.edu.

Mathematics and Statistics Scholarship Application Form

Name: _____ Telephone: _____

WIN: _____ E-mail: _____

*Declared Degree & Major(s) (e.g., BA Mathematics - List all that apply): _____

Anticipated graduation date: Term (Circle one): Fall Spring Summer Year: 20_____

*Year in school: _____ (FR, SO, JR, SR, Post-Bac; also note if a transfer student)

Mathematics and Statistics Scholarship Application Form (continued)

*Overall GPA: _____ *Math GPA: _____

*Total # of credits earned: _____ *Total # of credits enrolled in this current semester: _____

*Total # of MATH credits earned: _____ *Number of MATH credits enrolled in this semester: _____

Are you applying for funds for the full year, or the Fall semester only? [Circle one] FULL YEAR FALL ONLY

Have any of your Math courses been transferred to WU? [Circle one] YES NO

*If yes, please indicate which ones and the number of hours. _____

Please list the Math courses you took during the last calendar year (spring, summer, fall), with the grades you earned:

Please list the Math courses you are currently enrolled in:

Please list the Math courses you plan to take during the scholarship year (at least 7 credit hours in MA 151 and above) and the semester in which you plan to take them:

List of any Mathematics and Statistics Department Service Activities at your current institution in which you have participated: (e.g., tutoring, club participation (please specify which clubs), etc.)

Important: If not currently in our computer system, please attach transcripts of courses from each institution that you have previously attended to this application, so that we may verify your data. Unofficial transcripts will suffice for this application, but official transcripts will be needed before scholarship funds are awarded.
