

International Business Minor

Name: _____
Last Name First Name MI

WIN #: _____ Major: _____ Graduation Date: _____

The International Business Minor provides both the Business and the non-Business student with an understanding of the global nature of business. The International Business Minor is comprised of three components: required Accounting, Business and Economics, required language courses, and an optional approved international experience. A grade of “C” or better must be earned in each course to satisfy the requirement for the minor. Consult with your advisor for an understanding of how many of these hours may be used for general education credit.
