

# MILITARY and VETERAN HONOR CORDS

Washburn University honors those who serve/have honorably served in the U.S. Armed Forces, with Military and Veteran Honor Cords to wear at graduation.

These red, white, and blue cords are a special recognition to show our gratitude and respect for those who have made an unwavering commitment to both their nation and their academic studies.

This is a voluntary program and cords are provided at no cost to the student.

To be eligible you must:

- Be an honorably discharged veteran-student, or
