

**RYAN STALCUP
FALL 2023 SIBBERSON FINALIST
SCHOOL OF NURSING**

Ryan is graduating with a Bachelor of Science degree in Nursing. He plans to get a job in an intensive care unit where he will be able to positively impact the lives of his patients and their families. After working in the ICU for two years, he plans to go back to school to receive his Doctor of Nurse Anesthesia Degree.

Ryan is a member of Sigma Theta Tau Honors Society of Nursing. He is also a peer mentor for multiple Washburn Nursing students. Through the nursing program, he has participated in assisting the underserved communities of Topeka with health screenings and health promotion at the Marian Dental Clinic, Sheldon Head Start School, and WU Wellness Program. He has also volunteered for various organizations in the community. He volunteered with Habitat for Humanity where he assisted in house restoration, the Ronald McDonald House where he assisted with meals, cleaning, and provided a donation, and he also volunteered at the DST Community Garden in Kansas City, Missouri, which provided produce for local food shelters.

Ryan has received the highest possible level of academic honors at every stage of his educational journey. In high school, he was a Kansas Governor's Scholar, which is awarded to the top 1% of all graduating seniors. During his time at the University of Kansas, he was on the Dean's List every semester. While at Washburn, he has been on the President's List every semester as well. He is on pace to graduate Summa Cum Laude in December.

Ryan has earned the University of Kansas-Jayhawk Scholarship, the Basehor-Linwood Education Foundation Scholarship, the Washburn General University Scholarship, and the Roy and Dorthea Clousing Memorial Fund for all four semesters of nursing school.
