(Available On-Line http://www.washburn.edu/faculty-staff/faculty-resources/policies-forms/forms/gen-ed-transfer-petition.pdf)

PROCEDURE FOR PETITIONING FOR APPROVAL OF TRANSFER COURSES AS ACCEPTABLE FOR GENERAL EDUCATION

- A. This petition should be completed under the following conditions:
 - 1. The transfer course is not included in the sending institution's general education program and you believe it may meet the spirit and intent of Washburn University's general education program. (Note: Courses completed at a college or university accredited by one of the six regional accrediting organizations which have been designated by the sending institution as general education courses will transfer to Washburn University as courses within the appropriate general education distribution area and, therefore, no petition is required.)
 - 2. The transfer course is from a technical college or institute accredited by one of the six regional accrediting organizations.
- B. The petition should be completed and submitted as soon as possible but no later than two semesters after transferring to Washburn University.
- C. Petitions may be submitted at any time during the year.
- D. Submit this completed petition to your academic advisor for forwarding to the Office of the Vice President for Academic Affairs.
- E. You will be notified of the General Education Committee's decisions within a few weeks (depending on the time of year the petition is submitted).

- 2. The **primary content** of the course focuses on introducing students to ways of knowing, integrative knowledge, appreciation of historical context, common themes of human experience, social responsibility, analytical reasoning, civic engagement, or the development of practical skills and reflective habits of mind.

Prior to completing this petition, please consult the Washburn University Catalog for a more complete description of the general education statement approved by the University faculty.
