 - a. WSGA COVID-19 Fund
 - i. Chairperson Dorantes: I do like this idea, however I do not think it should be given in the form of a scholarship.
 - ii. Director Durkin: I think this is a good idea because everyone is struggling and one of my jobs is closed and I still have to pay rent.
 - iii. President Smith: This would be used as our own stimulus bill. I was thinking that we could give around \$200 to every student that needs it. We would need help from everyone.
 - iv. Director Trautman: Are we still doing the WSGA Scholarship also?
 - v. President Smith: I have been trying to get things together for that. As of right now, it is not happening. It would be for right now.
 - vi. Director Trautman: How would we know who are people “in need”?

- vii. President Smith: That's what I need your help with. We could ask for their income, their work, their living situation. This is totally up to us.
- viii. Chief of Staff Caffrey: That is also what I was thinking. Who are we going to focus with this? We should be trying to help all College Students. If we were to do this in a Scholarship form then I don't think it would not be as accessible.
- ix. Director Durkin: What if people lie? There will always be those people. Its important that we help everyone.
