Scheduling conflicts: John Cummings, Student Recreation, Kris Klima, Admissions, Chris Leach, Finance, Jim Stogsdill, Foundation, Bob Stoller, Information Technology Services.

Agenda:

Floyd Davenport (ITS) opened the meeting.

Discussion Items.

1. The committee had a late start, but discussed the following items.
   a. ITS is working with Ellucian and Desire2Learn to integration the new LMS with Banner. This includes both provisioning of accounts, courses and enrollments, but also grade information back to Banner from Desire2Learn.
   b. ITS has started Recruiter implementation; servers are ready and software installation begins next week.
   c. Implementation of a self-service online application for degree is in progress.
   d. Implementation of the FUPLOAD capability for Finance is currently on hold.
   e. ITS has completed the improvement for the estimated bill.
   f. Support of electronic transcripts is in progress with a July 1st implementation.
   g. Support of SALT/ASA implementation is in progress and targeted to be complete by March 29.
   h. ITS is working to create a custom survey link in the online application for degree.
   i. Support of GradesFirst implementation is on hold.
   j. The committee discussed the need to move forward on further implementation of Banner modules for Washburn Tech. Floyd Davenport discussed the proposal for Ellucian to come to Washburn and visit with each unit regarding options for Multiple Entity Processing.
   k. Floyd Davenport provided a brief update from the Email/Calendar task force.

Prepared by: Floyd Davenport, CIO/Director, Information Technology Services
