The Mulvane Art Museum invites all patrons, donors, and members to support our efforts to engage our community in cultural experiences that promote an awareness and appreciation for the visual arts by donating to us at the Topeka Gives event.

*“The donations we receive during Topeka Gives ensures that we continue to engage the community with the best local, regional and national cultural programs, art exhibitions, and educational initiatives while providing free arts programs to thousands of adults and children from Topeka and eastern Kansas,”* says Connie Gibbons, Director of the Mulvane Art Museum.

Join us on June 6, 2017 for a fun day of giving with Topeka Gives, and support your favorite programs at the Mulvane Art Museum!
