Barbara L. Buzick Art Scholarship

Application Information 2015-16

Scholarship Award: This scholarship will be awarded to a top quality freshman art student with the intent to renew the scholarship each year with the student’s satisfactory progress towards an art degree and sustained high-quality performance. The fund will provide full-ride scholarship to include tuition, books, fees, and art supplies. Payment of housing and board will be awarded if the student resides in on-campus housing.

Selection of recipient: The selection will be determined by a review committee of 3-5 people, including the Art Department Chair, art department faculty, and outside experts. Portfolios are judged on the following criteria:
- Technical Proficiency
- Visual Design
- Originality
- Expression

Application process: The deadline for all applications will be February 16, 2015, 12:00 (noon). All applicants must have completed the Application for Admission and Financial Aid through the Washburn Admission Office. Other application materials should be submitted to the Art Department. Applications will consist of the following materials:

1. CD of exactly 10 digital images of your best artwork. Images should be jpg format. Include images of artwork in at least two different media with at least one observational drawing. Be sure to label your images and CD. Provide a separate printed list of images with name, title, media, size, and date.
2. A formal letter of application and introduction in which you tell us about your art background, interests, and goals. Include your name, address, phone number and Washburn ID #.
3. Two letters of recommendation from adults who know your art ability and personal characteristics. A high school art teacher is recommended.
4. A copy of your high school transcript.

All applicants will also be considered for other Departmental Scholarships ranging from $1000-$3000, unless you specifically request only the Buzick Scholarship.

Send all application materials to Art Department Scholarship Application, Washburn University, 1700 SW College, Topeka, KS 66621
