Student Learning Outcomes

Students graduating with a major in Theatre are expected to have acquired skills in each of three areas:

PERFORMANCE

THEATRE DESIGN and TECHNOLOGY

THEATRE LITERATURE and HISTORY.

Upon graduation theatre students are expected to have:

- Demonstrated acquired skills in speaking and performance for the stage.
- Demonstrated acquired conceptual skills in the visual aesthetics of theatre design, as well as an ability to execute those skills on the stage.
- Demonstrated an ability to read and analyze dramatic texts and to respond critically to theatre performances.
