

2012-2013 Season

Music by Duncan Sheik

Book & Lyrics by Steven Sater

A collaboration with Helen Hocker Center for the Performing Arts

Haunting and electrifying, this alternative/folk-rock musical based on Frank Wedekind's 1891 controversial drama of teenage angst, sexual longing and 'coming-of-age' is as passionate and frightening as it was when the play was first produced. Winner of eight 2007 Tony Awards, including Best Musical and Best Music, the 2010 Olivier Award for Best Musical and a 2008 Grammy.

November 2, 3, 8, 9, 10 & 11
