## WHY STUDY AT WASHBURN

- **Affordable tuition:** The tuition for the RN-to-BSN program is competitive and affordable. There is no cost difference if you reside outside of Kansas.
- **The convenience:** Washburn offers an innovative, integrative curriculum designed to fit your schedule as a working professional nurse. We offer a full-time program (12 months) and part-time option (18 months) that allows you to balance your career, education and personal responsibilities.
- **The faculty:** You will receive exceptional support from our faculty and staff, along with reality-based instruction from experienced nurses who will help you take the next step in your career.
- **Networking:** Your cohort in the RN-to-BSN program is designed to help you build relationships and connect with peers in the nursing industry.
- **Tuition assistance:** Washburn University's School of Nursing offers a number of options for financial aid, including scholarships. Visit [washburn.edu/nursingscholarships](http://washburn.edu/nursingscholarships) for more information.

## ABOUT THE PROGRAM

- **Your admission:** To be admitted to the RN-to-BSN program, you must have a 2.5 GPA on a 4.0 scale and possess an active, unencumbered RN license, or be eligible to obtain one, in your state of residence.
- **Your courses:** Classes are exclusively online and adhere to Quality Matters Standards for the design of online courses. You will take courses taught in eight-week sessions with a minimum of a one-week break.
- **Transfer credits:** A minimum of 120 credit hours is required for a bachelor's degree. You can transfer up to 92 credit hours into the program. You will earn 32 credit hours in the RN-to-BSN program.
- **When you can start:** Washburn has start dates available at various times throughout the year. Visit our website at [washburn.edu/rn-bsn](http://washburn.edu/rn-bsn) for information on course start dates, as well as deadlines for applications, documents, registration and tuition payments.
