The total amount requested was \$5,000. The total awarded during this meeting: \$5,000. The total amount of funds available for FY2010 is \$14,000.00, which leaves the balance of available funds of \$1,141.58.

Nancy Tate explained to the committee if sufficient funds remained at the end of the year for all the internal grant funds, she would make announcement to all faculty about the availability of funds as she did last year. This determination will be made based on the amount of funds remaining, as well as the amount returned by faculty who were awarded grants but who were unable to use the funds. Dr. Tate said this determination is usually made in April to allow time for any unused funds to be expended before the end of the year.
