

## Early Bird Session Descriptions

### **Bonner Leader Program and LEAP (Literacy Education Action Project)**

Learning in the Community (LinC): The Center for Community Service and Civic Engagement at Washburn University offers scholarships to students willing to give their time to meaningful service commitments that makes a difference in the community in the same way that high academic performance and athletic achievement are rewarded with scholarships. Come hear about the variety of scholarship options and opportunities to assist students in paying for college while gaining real world experience and being a part of a program that connects you to other students and the community.

### **First Year Programs**

Washburn offers a series of programs and courses to prepare first-year students to be academically successful as they transition to college. Students and guests are invited to an engaging and informative session in the Mabee Library to learn about how the Center for Student Success and Library create opportunities to foster student success from the start.

### **Greek Life**

The fraternity and sorority community at Washburn University has served as a support system and opportunities to make lifelong friendships for more than 100 years. Built on the foundation of four founding values of scholarship, leadership, service, and brotherhood/sisterhood, members of the Greek community will explain how the Greek experience at Washburn University is a great opportunity for all undergraduate students. Ever wondered if being a part of a fraternity or sorority was for you? Members of Greek Community will be on hand to tell you about all the great opportunities that come with “Going Greek” at WU as well as answer any questions you may have about recruitment and being part of the community.

### **Leadership Institute**

The Leadership Institute invites you to come and find out more about the Leadership Studies Minor, Certificate and WTE academic programs as well as the expansive co-curricular opportunities provided for Washburn University students. Instructors and students look forward to meeting you during this session and sharing the benefits of creating your own Washburn Leadership Experience.

### **Multicultural Affairs**

Multicultural Affairs promotes awareness of cultural diversity and multicultural issues; enhances educational development about diversity; serves as a resource and referral center for students, faculty, staff, and the Topeka community; and advises multicultural student organizations (**Washburn Black Student Union, Hispanic American Leadership Organization, Indigenous Nations Student Association, and the Asian American Association**).

### **Residential Living**

This session provides a brief overview of the housing contract process, as well as information about what to expect in your transition to on-campus living at Washburn University.

### **Student Recreation and Wellness Center**

Achieving academic and career success is easier if you are healthy. Attend this session to learn the importance of wellness in your life and identify strategies and opportunities designed to assist you in living a healthy lifestyle at Washburn University and beyond.

### **University Honors Program**

At this session you will learn how to become a member of the Washburn University Honors Program and the types of enriched educational experiences you can look forward to in and out of the classroom. You will also learn about other benefits of joining our community of lifelong learners. Going above and beyond is just one of many ideals we cherish in the Honors Program. The Dean of the Honors Program and current Honors students look forward to making your acquaintance.
