Research

Spring 2003, developed a 20-item CBM for Intro to Algebra, administered it to 8th grade students enrolled in special education programs in three middle schools in Topeka. Analyzed the data and conducted a post-test on the students, spring, 2004.

Fall 1998-Spring 2001, began a 3-part study (Teachers, Principals and Assessment data) entitled; "The Nature and Influence of Reflection in the Comer Process". Conducted in the 9 Comer Schools in Topeka.

Spring 1996-2005, conducting a study on the learning styles of special education teachers. Each spring semester in the consultation class, I invite students to participate in this study based upon the learning styles inventories they complete in class. I am awaiting a large enough sample size to analyze.

Academic Sabbatical

Fall 2005, Videotaping instructional approaches, classroom arrangements, parents of children with disabilities, administrator perspectives, and teacher tips to develop a Multimedia Instructional Tool to use in my classes and in-service sessions. Developed 13 DVD/CDs.
