Michael A. Rettig

Home Address: 3216 W. 22nd Terrace
Lawrence, KS 66047
Home Phone (785) 832-1765

Office Address: Dept. of Education
Washburn University
310 Carnegie Hall
Topeka, KS 66621
(785) 231-1010 ext. 1424
E-mail: michael.rettig@washburn.edu

Rank: Professor

EDUCATIONAL BACKGROUND:

| | | |
|-------|--|---|
| B.A. | Psychology | University of Kansas, 1974, Lawrence, Kansas |
| M.Ed. | Special Education | Wichita State University 1978, Wichita, KS. |
| Ph.D. | Early Childhood Special Education and Administration | University of Kansas, 1984, Lawrence, Kansas |

CERTIFICATION:

Kansas, Early Childhood Special Education, expires 2002

PROFESSIONAL EXPERIENCE:

Associate Professor, Dept. of Education, Washburn University
of Topeka, Jan. 1, 1995 - present. Courses Taught:

SE 510 Learning and Behavior Problems
SE 520 Educational Planning for Students with Mild/Moderate
ED 302 Teaching Exceptional Learners
SE 540 Individual and Group Management
SE 530 Methods and Materials
ED 460 Exceptional Infants and Young Children
ED 151 Educational Participation in the Community
ED 560 Advanced Educational Psychology
ED 405 Classroom Management

SE 476 Psychology of the Exceptional Learner
ED 343 Infants and Toddlers in Early Childhood Education
ED 345 Infant and Toddler Laboratory

Practicum supervision each semester.

Associate Professor, Dept. of Special Education, Fort Hays State University, 1993-Dec. 1994.

Assistant Professor, Dept. of Special Education, Fort Hays State University, Aug. 1988 - May, 1993. Courses taught:

SPED 601: Introduction to Exceptional Children and Youth
SPED 706: Diagnosis and Remediation in Special Education
SPED 811: Introduction to Programs: ECSE
SPED 812: Educational Planning for Exceptional Students: ECSE
SPED 814: Advanced Child Development
SPED 810: Technology in Special Education
SPED 818: Practicum in Special Education : ECSE
CUIN 503: Instructional Media
SPED 770: Play: Educational and Developmental Significance

SPED 706 taught on Interactive Television, Summer, 1993. SPED 706 and SPED 814 taught on Interactive Television, Summer, 1994.

President/Owner, Exceptional Children's Software, Inc.
July 1987 to July 1996.

Responsible for all phases of this small mail order business including budget, accounts, and the development of software for young children.

Technology Specialist/Research Associate, Missouri Technology Center for Special Education, Oct. 1986 to Aug. 1987.

Responsible for responding to requests for assistance and training directors of special education in all of Missouri's 546 school districts, to university faculty state universities and colleges, and to Special Education staff of the Missouri Department of Elementary and Secondary Education. The requests for assistance included such areas as computerized IEP programs, assistive devices, optical character readers, tele-communications, and software reviews.

Project Coordinator, Handicapped Children's Computer

Cooperative Project, Sept., 1982 to October 1986.

Responsible for the overall coordination and implementation of the computer grant. These activities included working closely with instructional staff and administrators to use computer technology effectively with handicapped children. In addition, responsibilities included evaluation of computer programs, grant writing, project evaluation, coordinating and compiling instructional research relevant to the use of the microcomputers with young children.

Research Traineeship, The Kansas Early Childhood Research Institute, The University of Kansas, Lawrence, KS. August 1979 to July 1982.

Research assistant for social interaction study of handicapped and nonhandicapped preschool children. Input Data Manager responsible for compiling data and preparation for computer input, verification of data, and preparing data for statistical analysis.

Teacher Coordinator, Rainbows United, Inc.
Wichita, Kansas, 1978-1979.

Responsible for supervising teachers and aides, developing and implementing new programs, coordination and scheduling of services to clients, consultant on educational and behavioral considerations in language, gross and fine motor, social skills, and self-help.

Teacher for Young Children with Disabilities, Rainbows United, Inc. Wichita, Kansas, March 1976 to August 1979.

MEMBERSHIPS

Council for Exceptional Children, 1977-present.
Division for Early Childhood, member of the Kansas Division for Early Childhood Executive Board: Vice President, 1993-94, President-Elect, KDEC, 1994-1995. President, 1995-1996, Past President, 1996-97, Personnel Preparation committee, 1999-2000.
Phi Kappa Phi Honor Society, 1985-present.

GRANT APPLICATIONS - SUBMITTED AND FUNDED

Rettig, M. Handicapped Children's Computer Cooperative Project. Submitted through the Speas Foundation, Kansas City, MO., on behalf of Sunshine Center School, The Learning Center, The Children's Special Education Center for the Visually Impaired, and Sherwood Center for the Exceptional Child.

1982-1983: \$26,000

Rettig, M., Fisher, D., Dolembro, M.L., Snapp, B., and Jones, N. Handicapped Children's Computer Cooperative Project. Funded through the Kansas City Association of Trusts and Foundations, Hallmark Foundation, Kansas City, Missouri.

1983-1984: \$76,000

1984-1985: \$55,000

1985-1986: \$25,000

Rettig, Michael. Software Development and Programmer Handicapped Children's Computer Cooperative Project, Sherwood Center, Funded through the Speas Foundation, Kansas City, Mo.

1985-1986: \$40,000

1986-1987: \$20,000

Rettig, M. Program evaluation and social integration. Written on behalf of the Early Childhood Developmental Center. Funded through the Kansas State Dept. of Education.

1990-1991: \$16,620

Hunter, P. & Rettig, M. Compuplay project. Written on behalf of the Early Childhood Developmental Center. Funded through Hasbro Toys.

1991: \$10,000

Kallam, M. & Rettig, M. Compuplay project. Written on behalf of the Early Childhood Developmental Center, Hays, KS. Funded through the McDonalds Corp.

1992-1993: \$37,000

Rettig, M. Project Partnership: Inclusion Support Teams. Collaborative project between Washburn University, Dept. of Education and Shawnee Heights USD 450, funded through the Kansas State Board of Education.

1997: \$16,353.00

Rettig, M. & Dye, G. Curriculum Development grant, Washburn University, Computer Assessment Protocols. 1997: \$2,292.00

Rettig, M. Project Partnership: Inclusion Support Teams. Collaborative project between Washburn University and the Topeka Area Head Start programs. Funded through the Kansas State Department of Education.

1997-1998: \$10,000

Rettig, M. Play-Based Assessment. Project involving USD 450, USD 501, USD 437 and USD 345. Funded through the Comprehensive System for Personnel Development, Kansas State Department of Education.

1998: \$3,000

Rettig, M. Kansas Project Partnership, Extension grant. Funded through the Kansas State Dept. of Education.

1998: \$1,500.00

Rettig, M., Druse, J., McConnell, J. & Leon, K. Toy

Lending Library. Funded through a Curriculum Development Grant, Washburn University, Nov. 1998

1998-1999: \$1,475.00

Rettig, M., Zhang, S., & Coester, L. Curriculum Development grant for Lego CAD and Lego starter pack. Washburn University, Nov. 1999.

1999-2000: \$1,000.00

Rettig, M. & Dye, G. Topeka Area Special Education Consortium, Funded through the Kansas State Dept. of Education. Grant project involving USD's 501, 450, 437, 345, Kaw Valley and the Catholic Diocese.

2001 - \$25,000.00

2002 - \$25,000.00

2003 - \$25,000.00

2004 - \$25,000.00

Pownell, D, Cook, D. & Rettig, M. Internal curriculum development grant for use of palm pilots for assessment

2002-2003 - \$2,280.00

Research Grants:

Peterson, N.L. and Rettig, M.A. An investigation of four different computer response modes on the frequency and accuracy of responding by preschool-aged handicapped children.

U.S. Office of Special Education, Student Initiated Research, University of Kansas (DHEW # G008302223). 1983-1984: funded - \$4,502

Rettig, Michael. The assessment and training of body parts and prepositional concepts using a microcomputer. Funded through the Fort Hays State University Graduate School, Hays, KS. 1989: \$301.56

Rettig, M. & Kallam, M. Computer assisted instruction: Intelligibility of speech synthesis by handicapped children. Funded through the Fort Hays State University Graduate School.

1990-1991: \$922.00

Rettig, M. & Kallam, M. Effects of social and isolate toys on the social interactions of preschool-aged children. Funded

through the Fort Hays State University Graduate Council.
1991-1992: \$546.10

Rettig, M. & Kallam, M. Effects of quantities of toys on children's play behaviors. Funded through the Fort Hays State University Graduate Council. 1993: \$1132.00

Rettig, M. & Kallam, M. Effects of different types of blocks on the play of young children. Funded through the Fort Hays State University Graduate Council. 1994: \$821.00

Rettig, M. Investigation into the effects of different quantity of toys on the play and social interactions of young children. Funded through internal small research grants. This grant will help support the research of a special education graduate candidate, Teri Bailey. Spring/fall 2004, \$1,000.00

PRESENTATIONS

Rettig, M. Exemplary preschool programs for young severely and profoundly handicapped children. Presented at the fourth annual conference of the American Association for the Severely and Profoundly Handicapped, San Francisco, CA. Oct. 1977.

Rettig, M. Instructing severely handicapped preschool children in small groups. Presented at the fifth annual conference of the American Association of the Severely and Profoundly Handicapped, Baltimore, MD, Oct. 1978.

Rettig, M. Microcomputers and the young handicapped child. Presented at the Kansas Council for Exceptional Children Annual Convention, March 11, 1983, Lawrence, KS.

Rettig, Michael. Using microcomputers with preschool handicapped children. Presented at the Kansas Division for Early Childhood Second Annual Conference, Manhattan, Kansas, Sept. 9, 1983.

Rettig, Michael. Microcomputers and the Communicatively handicapped. Presented at the Greater Kansas City Speech and Hearing Association, St. Luke's Hospital, October 11, 1983.

Rettig, Michael. Overview of Software for the handicapped. Inservice presented for the Developmental Learning Center, Olathe, Kansas, October 28, 1983.

Rettig, Michael. The use of computers in speech and language. Inservice presented to the Wyandotte County Speech and Language Resource Center, December 12, 1983.

Rettig, Michael. Microcomputer applications to early childhood special education. Presented at the Kansas Federation The Council for Exceptional Children, March 16, 1984, Wichita, KS.

Rettig, Michael. Use of microcomputers with preschool handicapped children. Presented at the Missouri Federation Council for Exceptional Children, March 23, 1994, Tan-Tar-A, Missouri.

Mantle, J., Dolemba, M., and Rettig, M. Computer Applications for Young Children with Special Needs. Presented at the 1984 Conference on the Young Years, Jefferson City, Missouri, April 6, 1984.

Guest Lecture, Applications of Microcomputers to the Severely Handicapped. Symposium co-sponsored by the University of Kansas Speech and Hearing Dept. and the Office of Continuing Education on the Implications of the Microcomputer. University of Kansas Medical Center, April 14, 1984.

Rettig, Michael. Handicapped Children's Computer Cooperative Project and the Visually Impaired. Presentation to the Kansas City Consortium of Service Providers for the Visually Impaired, Heart of America United Way, Kansas City, MO.

August 7, 1984.

Rettig, Michael. Microcomputer Applications. Presented at the Third Annual Kansas Head Start Conference, Lawrence, KS. August 29, 1984.

Rettig, Michael. Workshop on the Applications of Microcomputers to the Handicapped. Conducted at Sherwood Center for the Exceptional Child, Kansas City, MO. November 16, 1984.

Rettig, Michael. Applications of Microcomputers with the Handicapped. Presented at the Annual Missouri Council for Exceptional Children Conference, March 28, 1985 Tan-Tar-A, MO.

Rettig, Michael. Applications of Microcomputers to the Handicapped. HCCCP Spring Workshop, Sherwood Center, April 26, 1985, Kansas City, Missouri.

Rettig, Michael. Applications of microcomputers with the severely handicapped. Conference for Educators of Students with Severe Handicaps, August 21-22, 1985 Gateway State School, St. Louis, MO., August 28-29, 1985 Lakeview Woods State School, Kansas City, MO. Sponsored by the State Schools for Severely Handicapped, Missouri Dept. of Elementary and Secondary Education.

Rettig, Michael. Computer applications with the handicapped. HCCCP Fall Workshop, Sherwood Center, Oct. 18, 1985, Kansas City, MO.

Rettig, Michael. Research on the use of microcomputers with young handicapped children. Kansas Council for Exceptional Children Fall Conference, DoubleTree Hotel, Oct. 25, 1985, Overland Park, KS.

Rettig, Michael. Microcomputer applications to speech and language. Presented to the Greater Kansas City Speech and Hearing Association, January 14, 1986. Mohawk Instructional Center, Overland Park, KS.

Rettig, Michael. Research on the use of microcomputers with young handicapped children. Special Education Technology for Success conference, March 13, 1986, Salina, KS.

Rettig, Michael. Applications of microcomputers with young handicapped children. Missouri CEC annual Conference, March 15, 1986, Tan-Tar-A, Missouri.

Rettig, Michael. Applications of microcomputers with preschool aged handicapped children. Paper presented at the 64th Annual International Council for Exceptional Children conference, April 1, 1986, New Orleans, LA.

Rettig, Michael. The use of microcomputer with young handicapped children. Paper presented at the Fourth Annual

Closing The Gap conference, Oct. 23, 1986, Minneapolis, MN.

Rettig, Michael. Microcomputers in early childhood special education: Research and applications. Presented at the second annual Special Education Technology for Success conference, Salina, KS. March 13, 1987.

Rettig, Michael. Examining microcomputer assistive devices.

Presented at the Annual Missouri state CEC conference, Tan-Tar-A, Mo., March 21, 1987.

Rettig, Michael. Applications of microcomputers in early childhood special education. Paper presented at the 65th annual conference of The Council for Exceptional Children, Chicago, Il. April 21, 1987. (ERIC document Number ED 286 305).

Rettig, Michael. Microcomputers in early childhood special education: trends and issues. Presented at the Fifth Annual Closing The Gap conference, Oct. 22, 1987, Minneapolis, MN.

Rettig, Michael. Microcomputers in early childhood special education: Trends and issues. Presented at the National Early Childhood Conference on Children with Special Needs, Nov. 2, 1987, Denver, CO.

Rettig, Michael. Trends and issues in the use of microcomputers in early childhood special education. Paper presented at the 66th Annual Conference of The Council for Exceptional Children, Washington, D.C. March 31, 1988.

Rettig, Michael. Computers: Can they help? Presented at The Child with Downs Syndrome: Issues of the '80's. Sponsored by The Children's Therapy Group and the Down Syndrome Guild of Greater Kansas City, April 30, 1988.

Hoernicke, P.A., Horvath, M., Kallam, M. & Rettig, M. Microcomputer environments: A compendium. Presented at the Kansas Council for Exceptional Children annual conference Oct. 21, 1988.

Rettig, M. Microcomputers with young handicapped children. Kansas Rural Special Education Telenet, Jan. 20, 1989.

Rettig, M. Literature and software in early childhood special education: What's there and what's not. Kansas Technology and Media Conference, March 3, 1989.

Rettig, M. Computer-based assessment and training of cognitive skills with preschool-aged handicapped children. Paper presented at the 1989 Closing the Gap conference, Oct. 28, 1989, Minneapolis, MN.

Rettig, M. An investigation of the use of a microcomputer to assess and teach prepositional concepts to young handicapped children. Paper presented at the Kansas Council for Exceptional Children conference, Nov. 10, 1989, Salina, KS.

Rettig, M. Considerations in the use of microcomputers by young handicapped children. Paper presented at the Annual

Kansas Division for Early Childhood conference, Mar. 2, 1990, Wichita, KS.

Rettig, M. Play. Inservice for the Early Childhood Developmental Center, Hays, KS. Nov. 11, 1990.

Rettig, M. Multifaceted presentation. Presented at the International Technology and Media Division annual conference, Kansas City, MO. Jan. 19, 1991.

Rettig, M., Keating, M. & Hulstein P. Considerations in the use of computer technology with young handicapped children. Presented at the annual Kansas Division for Early Childhood conference, Kansas City, KS, Mar. 8, 1991.

Rettig, M. & White, D. The evaluation of social integration by handicapped and nonhandicapped preschoolers through play. Presented at the annual Kansas Division for Early Childhood conference, Kansas City, KS, Mar. 8, 1991.
