

NAME: Evelyn Pitts

EDUCATION:	<u>DEGREE</u>	<u>MAJOR</u>	<u>DEGREE GRANTING INSTITUTION</u>
	BS	Math	Evangel College
	MA	Math	KU

PROFESSIONAL APPOINTMENTS:

CURRENT: Lecturer of mathematics at Washburn University

PREVIOUS: Assistant professor of mathematics and computer science at William Jewell college, Assistant Professor of Computer Science at North Park College, Instructor of Mathematics at William Woods college. Also adjunct professor at Baker University, Allen County Community College, and Highland Community College.

CLASSES TAUGHT IN PAST TWO YEARS:

Intermediate Algebra, College Algebra, Exploring Mathematics, Statistics

PUBLICATIONS/PRESENTATIONS/JURIED SHOWS/etc. (past five years)  
Co-presented a paper entitled "Bridging the Gap between high school and college" at the annual KTAM conference in Wichita in 2001.

TEACHING INNOVATION PAST FIVE YEARS:

CONTRIBUTIONS TO LOCAL, STATE, AND NATIONAL COMMUNITIES  
(including University governance)

Created a resource manual to prepare 4<sup>th</sup> and 6<sup>th</sup> graders for the KTAM (now SUM Day) mathematics competition, which is used by the gifted teachers in USD 437. Serve on the after school program committee at Jardine Middle School. I am on the Future's Task Force at First Baptist Church, and also on the college committee. I'm a member of PEO (which is a philanthropic and educational organization interested in bringing to women increased opportunities for higher education.). Have done various volunteer community activities. Our family was given a heartland volunteer award.
