I. President Ball called the meeting to order at 3:06pm.

II. The minutes of the Faculty Senate Meeting of May 4, 2015 were approved.

III. President’s Opening Remarks:
- Thank you all for being here and serving as a senator. We’ll do introductions after the meeting and socialize.

IV. Report from the Faculty Representative to the Board of Regents:
- There have been two general meetings, and one finance-budget meeting over the summer; a couple of things of note:
  - Washburn’s position in terms of tuition is approximately in the middle among KS Regent’s schools, so we’re competitive.
  - We’re the lowest in terms of tuition increases over the past five years.
  - There will be a modest salary increase of 1.8% going into effect in October/November.

V. VPAA Update—Dr. Randy Pembrook:
- Thanks for the turnout at the first General Faculty meeting.
- Academic Affairs Committee reminder: with the way we structured the new approach to probation, this committee will make a recommendation back to the full group on an annual basis.
- Bylaws: we had a proposal at the end of the last year coming forward regarding new programs. They typically come through units, but what if we have an interdisciplinary program? It resolved itself at the time, but we may revisit this quandary at least to discuss it.
- Enrollment/Recruitment/Retention—thanks for your efforts over the summer to help with this.
- NOTE: The Small Recital Hall project is a multi-phase project; we’re just starting to look at it. The timeline is long-term.
- Pembrook noted he was very pleased that the new faculty seem to be fitting in well already—thanks for making this happen.
