I. Amber Traphagan called the meeting to order at 3:03 p.m.

II. Guest Speaker - Floyd Davenport
   a. E-mail and Calendar System
      i. Floyd Davenport, CIO/Director of ITS, attended the meeting to give an update on the progress of the search for a new email/calendar system. Floyd reported that a recommendation was made by the Email Task Force to the Technology Steering Committee to recommend Office 365 replace our current email and calendar system. The Technology Steering Committee unanimously approved the recommendation and was going to bring it forth to the President and Executive Staff for approval. Additional information regarding email and calendar migration and training will be communicated once approval to proceed is obtained.
      ii. Please send any additional ideas or issues that may impact you by changing the e-mail/calendar system to Floyd Davenport.
      iii. Training will be offered when the new system is implemented on campus.
