\* To estimate meal expenses, a general guideline is to use 25 % of the per diem allowed by the U.S. Department of State for your location. [http://aoprals.state.gov/web920/per\\_diem.asp](http://aoprals.state.gov/web920/per_diem.asp)

\*\*The WU Study Abroad Insurance Plan Fee applies to students who participate on a program that last longer than 30 days in length. Beyond 30 days the cost of the required WU Study Abroad Insurance Plan is \$1.00 a day. If the student is participating on a program through a program provider and which includes Emergency Medical Evacuation and Repatriation and Health Insurance coverage that is equal to the WU Study Abroad Insurance Plan the fee may be waived. The student will need to submit a copy of the provider's insurance policy for the waiver to be approved.
