

**MISSION:**

To advise, encourage and assist incoming international students gain the fullest successful potential of the study abroad experience at Washburn University and the Community.

Are you interested in studying abroad? Why not start by becoming a WU Buddy and discovering other cultures through the residents themselves. Or would you like to meet new people? Whatever the reason, become a WU Buddy and befriend an interracial student visiting our school.

When you choose to be a WU Buddy you are choosing to become a friend, an ambassador of the United States, and a helpful hand.

If you are interested, please fill out the form below and return to **Heidi Staerkel** in the International House.
