Washburn University School of Business

STUDENTS SCORE IN TOP 20% ON NATIONAL BUSINESS EXAM

WHY ARE WASHBURN SCHOOL OF BUSINESS GRADUATES IN SUCH HIGH DEMAND?
As a group, the 65 spring senior students received a combined score that places the school in the **top 20%** of the more than 600 business schools across the country who administer this exam.

The **Major Field Test in Business**, by ETS, is a comprehensive assessment tool designed to measure a student's critical knowledge and understanding in a major field of study. The questions represent a wide range of difficulty and provide an in depth assessment of a student's achievement level.

The test scores received by Washburn School of Business show that our students excel in the following areas:

- **Factual knowledge** – Student's ability to correctly answer questions relating to business principles and overall understanding of business as a major field of study
- **Conceptual knowledge** – Student's ability to analyze and solve problems, understand relationships and interpret material based on intuitive application

A degree from the Washburn School of Business ensures the highest quality of education. Year after year, our students have consistently scored in the top 20% nationwide.
