

THE MIDLAND
801 MONADNOCK BUILDING
CHICAGO

October 6, 1931

Dear Mrs. Draper:

I appreciate your letter. I feel myself not a little responsible for the discouragement which you are feeling in connection with your writing at the present time. I am afraid I have failed to carry out my part of the plans we have made. Please let me know what is the present status of the novel. Have you written any considerable portions of it?

Sincerely yours,

Mrs. Edythe S. Draper,
Oswego,
Kansas.

John T. Friedman
