

ANATOMY & PHYSIOLOGY TRANSFER
RADIOLOGIC TECHNOLOGY PROGRAM
WASHBURN UNIVERSITY

Course equivalent transfer from Kansas Colleges to AS Degree in Radiologic Technology. Guidelines include: 1) Separate anatomy and physiology courses must total a minimum of 5 credits, 2) A combined anatomy and physiology course of at least 5 credits will transfer as both anatomy and physiology, 3) Anatomy and Physiology I counts for anatomy, 4) Anatomy and Physiology II counts as physiology and 5) no stipulation as to lab requirements. Any student with transfer credit differing from the guidelines will be evaluated by faculty on an individual basis.
