ENROLLMENT GUIDELINES FOR STUDENTS

1. A student may enroll in as many as 9 hours concurrently during the Summer Term, provided no more than 6 hours are taken in the same early or late session or shorter term. A student may petition the Dean of the academic unit where the student is declared to enroll in additional hours (undeclared students go to the Dean of the College of Arts and Sciences).
2. Undergraduate courses in which the student receives a D or an F may be repeated. Any undergraduate course in which the student receives a C or better may be repeated with the approval of the Department Chair. Only the repeated grade will be included in determining the cumulative grade point average. It is the responsibility of the student to report repeated courses to the University Registrar’s Office. Repeated courses will also be noted by the University Registrar’s Office when such circumstances are identified. Students who are taking graduate courses may repeat courses in which they received a grade of C, D, or F if the repeat is granted by the dean/chair of the department offering the course.
3. A/pass/fail option may be selected for one course during the summer term. Students must have completed 24 credit hours and have a 2.0 GPA. The A/pass/fail course may not be a major, minor, or correlate course. Through June 21 for the Early Session, July 5 for the Full Session, and July 26 for the Late Session, students are allowed to switch from A/pass/fail status to grade status or grade to A/pass/fail status (if qualified). However, only one course (in addition to any courses taught only A/pass/fail) may be so selected during the summer term.
4. Students enrolled for Audit may convert to credit status by June 1 for the Early Session, June 3 for the Full Session, July 6 for the Late Session. Students may not change from grade or A/pass/fail to audit after June 6 for the Early Session, June 9 for the Full Session, or July 11 for the late session.
5. Students withdrawing from the Early Session by June 3, the Full Session by June 6, or the late session by July 8 will not have Ws recorded on their transcripts.
6. Course Number: Junior status is required for enrollment in English 300. Courses numbered 500 – 699 may be open to graduate students depending on the academic program. Courses numbered 700 – 999 are open to graduate students only.
