Advance Registration and Open Registration for Summer 2018 are available to students on the Web. If you are eligible, you can enroll from home, work (if not prohibited by firewalls), or on campus through your MyWashburn account. The majority of students who are currently enrolled Fall 2017 for Spring 2018 may participate.

FACTS YOU NEED TO KNOW

The groups of students who must enroll in person and are NOT eligible to enroll on the Web are:

- High School Students (see page 9)
- Washburn Institute of Technology students seeking an Associate Degree at Washburn University must go to Benton 306
- All students admitted by exception must go to Academic Advising, Mabee Library Room 201, in person for advising and enrollment

You may register and/or change your course schedule during and after your specified time of the CLASSIFICATION SCHEDULE, and at any time during the OPEN REGISTRATION period.

If you have a hold, the system will not allow you to register until it has been cleared.

After registering your courses, view your course schedule to make certain it is accurate.

If you change your mind about any courses, you may add and drop as often as necessary during and after your classification schedule and Open Registration. Be certain to check again to verify that your schedule did change.

The Student One Stop in Morgan Hall 101A (Morgan Hall Welcome Center) will assist those students having difficulty enrolling.

Dates, times, and enrollment schedules may vary.

Instructions for Web Enrollment are listed on page 3 and instructions are on each screen on the web. Follow the instructions carefully.

You cannot see an entire registration page on the screen. Be sure to scroll down as far as necessary to find any links/buttons that you need.

   If you choose Search for Available Courses and complete a search, there are two registration options. You may:

ENROLLMENT GUIDELINES FOR STUDENTS

1. A student may enroll in as many as 9 hours concurrently during the Summer Term, provided no more than 6 hours are taken in the same early or late session or shorter term. A student may petition the Dean of the academic unit where the student is declared to enroll in additional hours (undeclared students go to the Dean of the College of Arts and Sciences).

2. Undergraduate courses in which the student receives a D or an F may be repeated. Any undergraduate course in which the student receives a C or better may be repeated with the approval of the Department Chair. Only the repeated grade will be included in determining the cumulative grade point average. It is the responsibility of the student to report repeated courses to the University Registrar's Office. Repeated courses will also be noted by the University Registrar’s Office when such circumstances are identified. Students who are taking graduate courses may repeat courses in which they received a grade of C, D, or F if the repeat is granted by the dean/chair of the department offering the course.

3. A/pass/fail option may be selected for one course during the summer term. Students must have completed 24 credit hours and have a 2.0 GPA. The A/pass/fail course may not be a major, minor, or correlate course. Through June 19 for the Early Session, July 3 for the Full Session, and July 24 for the Late Session, students are allowed to switch from A/pass/fail status to grade status or grade to A/pass/fail status (if qualified). However, only one course (in addition to any courses taught only A/pass/fail) may be so selected during the summer term.

4. Students enrolled for Audit may convert to credit status by May 30 for the Early Session, June 1 for the Full Session, July 5 for the Late Session. Students may not change from grade or A/pass/fail to audit after June 4 for the Early Session, June 7 for the Full Session, or July 9 for the late Session.

5. Students withdrawing from the Early Session by June 1, the Full Session by June 4, or the late Session by July 5 will not have Ws recorded on their transcripts.

6. Course Number: Junior status is required for enrollment in English 300. Courses numbered 500 – 699 may be open to graduate students depending on the academic program. Courses numbered 700 – 999 are open to graduate students only.
TUITION AND FEES

At Washburn University, we are fully committed to using the resources we have available to fulfill our mission (page 1). We invest in our students by striving for excellence in our academic offerings, and in providing superior customer service. While Washburn University makes a special effort to help our students achieve their educational goals, the ultimate responsibility rests with each student. Individual student responsibility is also expected for financial obligations. Financial aid and alternative payment arrangements may assist students in meeting their obligations but IT IS THE RESPONSIBILITY OF EACH STUDENT TO PAY ALL OUTSTANDING COSTS OF COLLEGE ATTENDANCE ON A TIMELY BASIS as defined by Washburn University policies. Failure to remit outstanding balances due to Washburn University within published deadlines will incur penalties as defined in this policy. It is not the intention of Washburn University or the Business Office to be punitive in enforcing this policy, but to ensure that Washburn University will continue to have the financial resources necessary to provide the quality education students expect to receive.

See full details of payment options in the Web Enrollment Instructions. Students who have completed advance/open registration but do NOT intend to attend Washburn during the Summer 2018 term MUST drop their courses via the web. Students MUST withdraw to avoid charges for which they will be liable.

Students who plan to withdraw from all registered courses or the last/only registered course in MyWashburn must withdraw from the University by selecting Withdraw from all Courses on the Student Academics tab of MyWashburn. Possible adverse
effects of completely withdrawing are listed for the student to review. Select Take Exit Survey at the bottom of the screen to begin the withdrawal process. After completing the survey, the student will be directed to the registration menu to complete the process of withdrawing from all courses.

Through the web enrollment process, the student is able to pay online with a credit card*, debit card, or Web check. Payments may be made through WU-VIEW, Washburn University’s online student account access, available on the my.washburn.edu Financial Services tab. Electronic checks are generally processed by banks before paper checks and automatic payments from debit cards and credit cards are processed daily; please take this into account.

The University will only accept Master Card, Visa, Discover and American Express credit card* payments through the web. In addition, Washburn University accepts cash, paper checks, money orders, PIN-based debit cards, and employer authorizations in person at the cashier windows in Morgan Hall 103 (east of the lobby). In a case where a student has remitted a check that has been returned for insufficient funds, no personal checks will be accepted to repay that obligation. Any scholarships, grants, or loans coming through Financial Aid to the student’s account will be applied first to tuition and fees. Students are able to check whether or not the Financial Aid is ready by accessing their MyWashburn student account.

*Online credit card payments will be charged a credit card convenience fee of 2.75% of the amount being paid (minimum fee of $3.00) to cover processing costs.

If a student has no holds on his/her account and cannot pay the full amount of tuition and fees prior to the first class, payment plans of two or three monthly installments is available via WU-VIEW. Payment plans must be set up by June 3.

No interest is charged for an installment plan but a $30 ($20 in summer) set up fee will be charged.

Through WU-VIEW, students and authorized users have the ability to check the current balance, together with the detail to monitor outstanding charges and payments.

It is the student’s responsibility to pay all outstanding charges by the payment deadline for each specific summer session (below) or to set up a payment plan in WU-VIEW by Friday, June 1:

- **Early Session** – Friday, June 1
- **Full Session** – Monday, June 4
- **Late Session** – Friday, July 6

**WU-VIEW – Washburn Online Account Information:**

**PRINTED STATEMENTS ARE MAILED PRIOR TO FINANCIAL AID ASSESSMENT IN THE FALL AND SPRING TERMS ONLY. EBILLS ARE GENERATED TOWARDS THE END OF EACH MONTH FOR ALL STUDENTS WITH A BALANCE DUE.**

LOG INTO my.washburn.edu, choose the Financial Services tab, and click on WU-VIEW to:

- Print Statements of Account from the web for your records, reimbursement by an employer, or to send in with payment.
- Set up an installment plan and pay for it online or with more traditional methods.

- **Set up online payment from a checking or savings account or debit card and have reminder emails sent to you.**
- **Set up direct deposit authorization for refunds of excess financial aid.**
- **Set up parents or others as authorized users. Those authorized users can then:**
  - view the student’s financial account;
  - receive copies of e-bills generated each month;
  - set up automatic payment arrangements or make online payments with credit card, debit card or web check, in addition to traditional payment methods; and
  - discuss the student’s account with the Business Office.

**WU-VIEW e-bills are refreshed periodically throughout the semester and reflect activity only up to the time the bill is generated. Check Current Activity to see the most recent activity on the account (select the term from the drop down box).**

In addition, students will be notified via Washburn email when activity occurs on their accounts (e.g. when charges are assessed, financial aid is released, and payment is due, a late charge is assessed). Authorized users (in WU-VIEW) will receive these emails as well, unless the student revokes the authorization.

Information accessed via the web will be the most current available to the student. Students should check their accounts frequently to make sure they have the latest information.

**Liability for Charges**

Once a student has enrolled in classes, he/she is liable for tuition and fee charges unless the student withdraws from classes via the web prior to the start of class. Tuition charges for courses from which a student has withdrawn will be removed from the student account according to the following schedule for Summer 2018:

- **Early Session**
  - May 29 – June 1 .................................. 100%
  - June 2 – June 4 ................................. 50%
- **Full Session**
  - May 29 – June 4 .................................. 100%
  - June 5 – June 11 ................................. 50%
- **Late Session**
  - July 2 – July 6 .................................... 100%
  - July 7 – July 9 .................................. 50%

**Tuition charges for classes that are LESS than full term from which a student has withdrawn will be removed according to a prorated schedule that is available on the Business Office website under Tuition Refunds/Refund Dates by Course. Contact the Business Office at (785) 670-1156 if you have questions.**

**Having tuition charges removed from the student account does not necessarily mean there will be a refund.** In fact, if withdrawal from one or more classes results in having financial aid removed as well, the student may owe a balance. **Students considering withdrawing from one or more classes need to be sure that the financial implications are clearly understood before withdrawing.**

If a student withdraws from one or more classes in which he/she has enrolled, it may be necessary to return all or a portion of the Title IV financial aid (Pell, SEOG, and loans) that was received for the term as required by Federal regulations. This means that if the student was refunded excess financial aid, he/she will have to repay Washburn University for the
amount of aid that has been returned.

Students who plan to withdraw from all registered courses or the last/only registered course in MyWashburn must withdraw from the University by selecting Withdraw from all Courses on the Student Academics tab of MyWashburn.

Possible adverse effects of completely withdrawing are listed for the student to review. Select Take Exit Survey at the bottom of the screen to begin the withdrawal process. After completing the survey, the student will be directed to the registration menu to complete the process of withdrawing from all courses.

Please note that the Student Activity Fee (not applicable for summer courses) is only refundable up to the first day of the term; and is non-refundable once class begins, even if the student withdraws from all classes.

Refunds and/or charges due to a student leaving campus housing are governed by the terms of the housing contract.

Refunds

If a student account has a credit balance, a refund will be generated, except in the case of non-refundable payments, such as from a third party. The preferred method of disbursement of excess financial aid is via direct deposit to a student checking or savings account, (which the student sets up via MyWashburn on the Financial Services tab in WU-VIEW, eRefunds). Parents will receive any excess funds for Parent PLUS loans by mail in the form of a check.

Students may request that a check be mailed, or they may pick up a check – specific dates, times and places for that process will be posted on MyWashburn, on the Business Office Web page (washburn.edu/business-office), and via email to students and authorized users. You may update your mailing address through your MyWashburn account. PLEASE make sure that your address information is correct. Checks not picked up after 7 to 10 business days are mailed to a student’s current address.

Due to the unique nature of the various programs offered, cancellations and refunds for non-credit offerings may be different depending on the program or course. If a student is unable to attend a course, he/she should refer to the cancellation and refund policies established for each program as indicated in the program brochure, on the program web page, or contact the coordinator responsible for the program. If a policy is not specified, the Academic Outreach Office must receive the request for a refund no later than three (3) business days prior to the start of the program to receive a full refund. No refunds will be granted once the program begins.

Delinquent Payments

Unpaid balances are subject to the imposition of late charges and may incur collection fees should we need to use a collection agency to recover the balance. Additionally, a Business Office hold may be placed on the account, which will prevent the release of transcripts and diplomas, as well as preventing enrollment in subsequent terms.

Late charges are applicable to those students who have not paid their outstanding balances or set up an installment plan by the payment deadline. Students who do not meet this deadline will be charged a single late fee according to the number of credits in which they are enrolling:

<table>
<thead>
<tr>
<th>Credits</th>
<th>Late Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.5 – 3.00</td>
<td>$25.00</td>
</tr>
<tr>
<td>3.50 – 6.00</td>
<td>$50.00</td>
</tr>
<tr>
<td>6.50 – 9.00</td>
<td>$75.00</td>
</tr>
<tr>
<td>9.50 or more</td>
<td>$100.00</td>
</tr>
</tbody>
</table>

Late installment payment fees are applicable to those students who are enrolled in a payment plan but have not paid their installment payment on or before the due date specified. Late installment payment fees are $25.00 for each late payment.

Installment payments may be made at the Cashier Windows in Morgan Hall 103 during regular business hours. Payments may also be made by mail or 24/7/365 via WU-VIEW.

Students with financial aid should check to make sure financial aid has been released to their student accounts by the payment deadline. If a student’s financial aid is delayed because his/her FAFSA was not submitted in a timely manner, or other requirements to receive financial aid were not completed in a timely manner, the student will still be obligated to meet the payment in full deadline for each specific summer session: Early Session-Friday, June 1; Full Session-Monday, June 4; Late Session-Friday, July 6. If the disbursement of financial aid to the student account is delayed through no fault of the student, the late charge may be waived provided the student has paid any balance not to be covered by financial aid by the payment deadlines above.

Additional Information

Classes added after the initial enrollment will be charged 100% of the tuition rate. (Tuition and/or fees are never prorated at enrollment.)

Tuition charges for classes from which a student has withdrawn will be removed according to the schedule given above. There are a few exceptions; such as transferring from one section of a class to another (e.g., EN300A to EN300C).

The tuition charge per credit hour is applicable to all parts of term such as regular semester, evening programs, etc., whether taken for credit or audit.
STUDENT ID’s

All students are required to carry the iCard, Washburn University’s ID.

New students may obtain their ID on the main level of the Memorial Union in the Ichabod Service Center. Bring one (1) form of government issued photo ID, such as your driver’s license, passport, or military ID.

Returning Students – your cards will be automatically electronically updated for current student access after you have paid your fees. You do not need to stop in the office.

*We observe University Holidays* Extended operating hours are available during enrollment. Please call for dates and times (785) 670-1188.

Deposit money on your iCard for use on purchases at participating University locations: Dining Services, Ichabod Shop, University Libraries, Washburn Athletic Department, University Theatre, Vending/Concessions, and University Mailing and Printing Services (UMAPS). The iCard is your photo ID for University services: Library circulation, use of the pool in Petro Allied Health Center, recreational services in the Student Recreation and Wellness Center, and attendance at special music, theatre, and athletic events. The iCard also provides the dining service declining balance account for residence hall students and door access on campus.

By opening a US Bank account you can turn your iCard into your ATM/debit card and/or student checking account. US Bank has made it easy for you to manage your money with a great student checking account.

Once you have earned your associate’s degree you can continue your education and earn your bachelor’s degree online from Washburn University in just two years without traveling to Topeka, moving, or changing jobs. For more information about the 2+2 online PLAN degree completion programs, visit the PLAN website at washburn.edu/PLAN or send an email to 2PLUS2@washburn.edu.

The Office of Graduate Programs and Academic Outreach coordinates the University’s graduate, online, off-campus, and summer session programs including the Accelerated College Experience (ACE) program for high school students. Academic Outreach also supports those professional development programs that have a direct connection to academic areas and are generally considered post-baccalaureate in terms of knowledge or skills. THE WASHBURN TRANSFORMATIONAL EXPERIENCE (WTE)
AT WASHBURN UNIVERSITY

The Washburn Transformational Experience (WTE) provides Washburn University students with the opportunity to do something truly amazing. The main objective of the WTE program is to transform students into a new kind of individual. The WTE goes beyond the everyday classroom experience by allowing students to choose and create projects that reflect their interests. Students are responsible for making their WTE experiences as great and amazing as they want them to be. Students completing a baccalaureate or associate degree have the opportunity to pursue one or more of the transformational experiences listed below. Students who are considering this option will be required to declare their chosen WTE after consulting with the appropriate Director or faculty mentor.

Community Service

Purpose: Students who have engaged with faculty members and other students in significant, meaningful community service, and who have been guided to reflect on the power and purpose of these experiences, graduate from the University as citizens who are not resigned to accepting the community as it is but have a vision for how they can help make the community better.

International Education
International House, (785) 670-1051
Purpose: Students who have studied abroad or been thoroughly exposed to the richness of history and culture beyond our shores graduate from the University ready to contribute to a fast-paced global society in which information is delivered instantly around the world.

Leadership
Benton Hall 408, (785) 670-2001
Purpose: Students who serve in leadership roles are transformed by improved self-understanding derived from practical experience and examination of inspirational examples of selfless leadership service; they graduate from the University as citizens who recognize the abundance of leadership opportunities and are ready to accept the mantle of responsibility that comes with these opportunities.

Scholarly or Creative
Henderson 211, (785) 670-1566
Purpose: Students who have engaged with faculty members to advance knowledge, to create music or art or literature, or to participate in other experiences that require a high level of intellectual stimulation or achievement, graduate from the University prepared to solve increasingly complex problems and to sort through complex and sometimes contradictory information in order to gain fresh insight.

The specific requirements for each WTE can be located at washburn.edu/wte.

Transfer Students
Transfer students who have completed 24 or more hours of college or vocational work must submit an official transcript from each regionally accredited post-secondary institution previously attended. To be official, transcripts must be sent directly from each school to the Office of Admissions at Washburn University. Faxed transcripts are not official. If the student has completed fewer than 24 college or vocational hours and is degree seeking, additional material is required for admittance.

Entering degree seeking transfer students must have an application, $20 processing fee, and all transcripts on file in the Office of Admissions by the respective beginning term deadline. Those students unable to meet the minimum admissions standards due to unusual circumstances may be considered on a case-by-case basis by the Director of Admissions. Transfer students desiring additional information should call (785) 670-1030.

Regular admission for transfer students is based on number of hours completed and cumulative GPA.

- 24-29 cumulative hours ≥ 1.8 cumulative GPA
- 30-59 cumulative hours ≥ 1.9 cumulative GPA

Transfer students who do not meet the regular admissions standards can be admitted by exception. The acceptance is based on number of hours completed and cumulative GPA.

- 24-29 cumulative hours ≥ 1.6-1.79 cumulative GPA
- 30-59 cumulative hours ≥ 1.7-1.89 cumulative GPA
- 60-89 cumulative hours ≥ 1.8-1.99 cumulative GPA
- 90+ cumulative hours ≥ 1.9-1.99 cumulative GPA

Credits and grades earned in courses which are not acceptable from a transfer school will not be counted in the final grade point average or total hours earned at Washburn University.

To determine whether transfer coursework has been approved as satisfying Washburn University’s general education program, students can access the on-line transfer guide at washburn.edu/transfer-guide. A general education transfer application process is available to students who believe a transfer course meets the spirit and intent of the Washburn University general education criteria. The application is available at washburn.edu/faculty-staff/faculty-resources/policies-forms/forms/gen-ed-transferpetition.pdf. Students should work through their academic advisors to pursue this option.

Transfer students who have completed a baccalaureate degree at an accredited institution of higher education are considered to have satisfied general education requirements, and are therefore not required to meet Washburn University’s specific general education requirements.

This includes all aspects of the general education degree requirements and the University requirements. Courses satisfactorily completed in the Arts & Humanities, Social Sciences, and Natural Sciences & Mathematics as part of an AA or AS will be accepted towards credit in the appropriate general education distribution area. Washburn baccalaureate graduates who are returning to pursue an additional degree are considered to have satisfied general education requirements in the same manner as transfer students.

At least 60 hours of the 124 hours required for the baccalaureate degree must be taken at a 4 year college or university.

Returning Student Reactivation
Students who attended Washburn University after 2004, and wish to come back, may be eligible to complete the reactivation process. Those wanting to go through this process must submit the online reactivation form (http://washburn.edu/admissions/apply.html) and an official transcript from each regionally accredited post-secondary institution attended, if not previously submitted. A letter and email will be sent to students within 3-4 business days notifying them of their status and additional instructions.

Students will be reactivated in the same status in which they left. Any student who wishes to change statuses (e.g. non-degree seeking to degree seeking, undergraduate level to graduate level, or from a high school student to a regular undergraduate student) must submit a new application for admission. Students who were academically suspended may use this form, but must contact the Advising Office (785 670-1942 or advising@washburn.edu) to complete the process for academic reinstatement. These students will not be reactivated until approval for reinstatement is received.

Returning students desiring additional information should contact the Student One Stop at (785) 670-2162.

Financial Aid
washburn.edu/financial-aid

The 2018 Summer Financial Aid Application will open on March 1, 2018.

To apply for financial aid, students must complete the 2017-2018 Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov, in addition to submitting a Summer Financial Aid Application.

The summer semester is the ending semester to the 2017-2018 academic year. Thus, financial aid awards are based on a student’s remaining federal financial aid eligibility for the academic year, as well as enrollment level and length of classes. If the maximum annual eligibility has been used between the fall and spring semesters, federal financial aid may not be available for the summer semester.

Students must be enrolled in all courses indicated on their Summer Financial Aid Application before financial aid awards can be determined.

The Summer Financial Aid Application can be submitted until July 20, 2018. The application form is available online at http://www.washburn.edu/financial-aid-forms.

For questions, visit the Student One Stop in Morgan Hall, call (785) 670-1151, or email us at financialaid@washburn.edu.

Drop/Adds (Class schedule changes)

Drop/Adds can be done any time the Web is available to you up to the last day to withdraw. You can keep track of schedule changes by checking your account on the Web. DROPS AND ADDS ARE CALCULATED SEPARATELY, so in order to drop and add an equal
number of class hours without any charge, you must do that within the published 100% refund period.

Making changes to your course schedule may cause a change in your financial aid and/or may cause you to have a financial obligation to the University. Please check this via my.washburn.edu. If an action causes you to have a credit balance, the credit will either be applied to your account, if you have a balance, or the excess will be direct deposited or mailed to you in check form according to your instructions. Please be sure your address in MyWashburn is correct.

Procedures for Withdrawing from Classes
Students may withdraw from semester courses on the Web until the last day to withdraw (Early Session – June 19, Full Session – July 3, Late Session – July 24). The date of withdrawal is determined by the day the withdrawal is processed on the Web. The responsibility for completing the withdrawal process rests with the student. Failure to officially withdraw results in the recording of “F” grades at the end of the semester/term, and in being responsible for all assessed charges. Specific deadlines for all courses, including out-of-sequence courses, can be found on MyWashburn by selecting the Student Academics Tab and then selecting Last Day deadline for courses under the Additional Registration Information section.

Procedures for Complete Withdrawal from the University
Students who plan to withdraw from all registered courses or the last/only registered course in MyWashburn must withdraw from the University by selecting Withdraw from all Courses on the Student Academics tab of MyWashburn. Possible adverse effects of completely withdrawing are listed for the student to review. Select Take Exit Survey at the bottom of the screen to begin the withdrawal process. After completing the survey, the student will be directed to the registration menu to complete the process of withdrawing from all courses.

Military Withdrawals
Students who are called to active duty and must withdraw from classes as a result, should contact the Student Life Office in Morgan Hall 240, (785) 670-2100.

Medical Withdrawals
If a student is unable to complete a semester or term due to serious illness or injury, the student may withdraw from courses by the Last Day to Withdraw (Early Session – June 19, Full Session – July 3, Late Session – July 24). Withdrawal DOES NOT CHANGE the student’s financial obligation to the University. For withdrawals with a medical basis after that date, students must present an affidavit signed by a licensed health care provider certifying the circumstances. This affidavit, as part of a Medical Withdrawal information packet, is available in the Student One Stop in Morgan Hall 101 (Morgan Hall Welcome Center). The completed form should be directed to the Office of the Vice President for Academic Affairs (VPAA). If the request relates to a semester other than the current one, the VPAA Office must also approve the academic withdrawal. Based on an approved request, the student will be withdrawn from all his/her courses, and will receive a “W” on his/her transcript for those courses.

There will be NO REFUND for this procedure. Only withdrawals processed during the published refund schedule (page 7) will generate any kind of refund of tuition and fees. If the student has received Title IV federal financial aid, then the current “Return of Title IV Funds” policy will be applied according to PL 105-244, Sec 484B, 64FR59016. (Federal Pell Grants are only adjusted based on the student’s enrollment status during the first two weeks of classes.) A student who is eligible for a withdrawal from classes based on serious illness or injury which occurred after completion of 60% of the semester/session is not subject to Federal “Return of Title IV Funds” policy, and is considered to have earned their Federal Title IV aid.

Withdrawal Due to Death of Student
If a student should die during a semester/session in which the student is duly enrolled, the student’s estate will be refunded the tuition and fees based on the above stated policies. To initiate this process, the family may contact the Student Life Office in Morgan Hall 240, (785) 670-2100.

Attendance
Although the responsibility for withdrawing from courses rests with the student, an instructor, after due notice to the student, may request withdrawal of the student from a course because of nonattendance through the same date as the last day a student may withdraw from a course. This would NOT absolve the student of financial responsibility for tuition/fees for the course in question.

Residency
The residency status of a student for the purpose of paying tuition to Washburn University is determined at the time the student applies or reapplies to the University. If a new student questions the status that was assigned, he/she should contact the Office of Admissions for further information and instructions. Current students classified as non-residents who have continuously lived in Kansas for at least six months, have continued to attend Washburn University without having to reapply, and believe that they have met residency requirements as described under “Kansas Residency and Tuition Assessment” of the University Catalog, may obtain information regarding residency appeals by clicking on washburn.edu/admissions/paying-for-college/residency.html.

The deadline for contacting the appropriate office and for completing and providing all necessary documentation for review is Friday, June 29 for the Summer 2018 semester.

Final Grades
Final grades will be able to be viewed on the Web through your MyWashburn account the day after semester grades are due. Grades will not be given over the telephone.

Declaring/Changing A Major
In order to ensure the early and proper selection of a field of concentration, students seeking a baccalaureate degree are required to file a declaration of major by the time they have completed 54 hours. Candidates for the associate degree must file the declaration of major at the completion of 24 credit hours. A student is free to change majors at any time, or to add a second or third major. To declare or change your major or minor, you must visit with your academic advisor who will submit your request to the University Registrar’s Office. Graduate students must contact the appropriate graduate program office to declare/change their major.
**Degrees**

**Degree Conferment** – The University confers degrees three times a year to students who have met all requirements as of the last day of final examinations for each of the three semester/terms: Fall semester, Spring semester and Summer term. Degrees for the Summer 2018 term will be dated August 2, 2018. All work not completed (i.e. incomplete grades, etc.) by August 2 will result in graduating the following semester/term or later. Transfer work must be received by August 16, 2018 to count for Summer 2018 graduation.

**Application for Graduation** – Students who plan to complete a certificate, associate, baccalaureate, or master’s degree for Summer should submit the Application for Graduation, located on the Student Academics tab in MyWashburn by Friday, February 2, 2018.

Any student who does not complete graduation requirements in the semester for which they applied, must contact audits@washburn.edu to update their application for graduation for a later semester/term.

**Diplomas**

**Diploma Distribution**

Diplomas will be available approximately two months after each semester/term. Diplomas may be picked up in the Student One Stop in Morgan Hall 101 (Morgan Hall Welcome Center) during regular business hours. Photo identification must be presented to obtain your diploma. Students may have diplomas mailed by completing the diploma mailing form in the Student One Stop. Students may also obtain the Diploma Mailing form by printing it after accessing washburn.edu/registrar. After printing and completing the form, return it to the University Registrar’s Office by mail with the appropriate fee, by fax to (785) 670-1104 with your credit card information, or by bringing it to the Student One Stop in person. The fee for mailing a diploma is $7. Diplomas are not issued if the student has outstanding financial obligations to Washburn University.

**Diploma Replacement**

A diploma may be replaced providing a request is made in writing. The Diploma Replacement Form is available in the Student One Stop in Morgan Hall 101 (Morgan Hall Welcome Center) during regular business hours or it may be obtained by printing it after accessing washburn.edu/registrar. The same procedures for returning the form may be used as listed under “Diploma Distribution.” The diploma replacement processing fee is $50.00 for a diploma originally issued prior to the current academic year.

**Diploma Designations**

 Majors and minors are not designated on the diploma; however, they are reflected on the transcript. If a student adds a major/minor to a degree after the diploma is issued, the additional designation will be reflected on the transcript. An additional diploma will not be issued. Only Latin honors (Summa Cum Laude, Magna Cum Laude, and Cum Laude) are designated on undergraduate bachelor degree diplomas. In addition to Latin honors, Stoffer Honors, Departmental and School Honors, and University Honors are posted on the transcript.

**Transcripts**

A transcript is an official copy of a student’s permanent academic record. Official transcripts are available from the Office of the University Registrar. Each transcript costs $8. A transcript request must be written and the fee must be paid in advance. A transcript request will not be processed for students who have financial or other obligations to Washburn University.

Transcripts may be requested in person upon showing some form of photo identification at the Student One Stop in Morgan Hall 101 (Morgan Hall Welcome Center) during regular business hours. Transcripts may be requested online through the transcript ordering service by logging on to MyWashburn and accessing the Student Academics tab. The “Transcript Request and Enrollment Verification” link is located under University Registrar links.

Transcripts may also be requested through the mail, or by fax at (785) 670-1104. A mailed request must be sent to the Office of the University Registrar. The request should include the following information: Current name and other names while attending Washburn University, student signature, identification number/social security number, return address for receipt purposes, current phone number, date of birth, date of attendance at Washburn, the number of transcripts requested, complete and accurate addresses where each transcript is to be sent, and $8 for each transcript requested paid at the time of request. A faxed request must specify whether a transcript is to be mailed or faxed. If the transcript is to be faxed, the request must include the information listed above as well as the fax number, the name of the person who is to receive the fax, and the company/agency/institution name where it is to be faxed. Faxed requests will not have processing priority over requests received by mail or in person. Some agencies or institutions will not accept faxed transcripts as official.

Checks should be made payable to Washburn University. Fax requests must be paid by credit card. Washburn University accepts Visa, MasterCard, Discover (Novus), and American Express. A fax request must include the type of card, the number of the card, its expiration date, the security code on the back of the card, and signature of student. Fax requests without complete information, including credit card information, cannot be processed.

A Transcript Request form may also be obtained by printing it after accessing washburn.edu/registrar. It may be returned to the University Registrar’s Office by mail, fax, or in person by following the relative procedures described in this section.

Veterans
To apply and establish entitlement for Veterans Administration (VA) educational benefit programs, the applicant should contact the Student Services Office at Washburn University, or call the VA at (888) 442-4551. Program eligibility generally ceases ten years from the date of the veteran’s release from active duty or 15 years under the Post 9/11 GI Bill.

Eligible recipients of educational assistance must certify their enrollment each semester through the Student Services Office to assure continuous benefits. When changes in enrollment occur, such as dropping courses, not attending class, or not formally withdrawing from the University, the student must submit a report of mitigating circumstances. The VA expects veterans to pursue an educational objective, file a degree plan with Student Services, regularly attend classes, and make satisfactory progress. Veterans wishing to receive full monthly benefits must be enrolled full time (12 hours or more hours) FOR THE ENTIRE TERM. Enrollment in short-term classes results in payment only for the duration of those courses. Persons entitled to a Monthly Housing Allowance under the Post-9/11 GI Bill (Chapter 33) must be enrolled in more than half time each semester; allowance is prorated based on rate of pursuit, e.g. ¾ or fulltime.

The University Library, Mabee Library, located in the center of campus, is the intellectual and cultural heart of the university. Its staff offers a wide variety of services, with a special focus upon educational programs that promote the intelligent use of information resources and information literacy, including an Information Literacy Minor. Ongoing physical improvements in the library continue to make it a place for 21st century learning and allow the library to host a growing list of public exhibits and events – including student art exhibits, a range of academic readings and presentations and the Averill Kansas Studies Lecture Series.

The library has three floors – one of which is a dedicated quiet zone, a second is designated for group study, while the main floor is a mixed space that provides access to over 100 computers for students and faculty. Laptops are available for checkout at the Welcome Center, a bank of 33 high-speed computers is available on the third floor, and 7 computers are available on the first floor.

The University Tutoring (washburn.edu/tutoring) and Writing Center (washburn.edu/writingcenter), located on the third floor, provide free tutoring services for students. The Library website (washburn.edu/mabee) is designed for ease of use and features the ENCORE and SYNERGY search tools that allow researchers to access the collections of Mabee Library, the Carnegie Education Library, the Washburn School of Law Library, the Kansas Supreme Court Library, the State Library of Kansas and the Kansas Historical Society. In addition to an extensive number of books and print journals, the Library also provides access to an expanding number of electronic resources. The Librarians also provide an online subject specific set of help tools (libguides.washburn.edu), which extend public services beyond the 105 hours each week that in-person research assistance is available.

Mabee Library is a selective depository for Federal and Kansas State documents. Special Collections in the Library include the Rare Book Collection, the University Archives, the William I. Koch Art History Collection, the Thomas Fox Averill Kansas Studies Collection, the Nancy Boyd 2nd Congressional District Collection, and a growing Digital Institutional Repository (washburn.edu/mabee) that displays the scholarly work of both faculty and students.

The Carnegie Education Library (CEL), a branch of the Mabee Library located in Carnegie Hall, specializes in teacher resources and also models contemporary preK-12 libraries. The CEL seeks to enhance the teaching and learning initiatives of the Washburn University Department of Education in its ability to successfully develop 21st century educators and learners. Library services and programming also serve Topeka area educational communities. In addition to its unique physical collections, the CEL website

21
(washburn.edu/mabee/crc) provides access to an increasing number of digital resources. The new integrated learning system lab at the CEL provides access to burgeoning educational technologies and digital equipment.

Policies Affecting Your Rights & Responsibilities

PROCEDURE FOR CONTESTING GRADES

The following grade appeal procedure applies to the College and the Schools, not the School of Law. The obligation of the instructor to evaluate the performance of students on sound academic grounds is basic to the formal education process. A student who believes the grade awarded him/her by an instructor is based upon reasons other than the student's academic performance may appeal the grade received in a course. Students utilize the procedure outlined below to appeal the grade unless a student believes the grade was awarded based on illegal discrimination on the basis of race, color, religion, age, national origin, ancestry, disability, sex, marital or parental status or sexual orientation/gender identity. Appeals based upon complaints of discrimination follow the University’s procedures for complaints of discrimination.

Consultation with the Instructor

A student must first attempt to resolve his/her dispute concerning the final grade received in a course through consultation with the instructor of the class. Such consultation normally shall take place following award of the grade but in no event shall such consultation take place later than the fourth week on the next regular academic semester following the award of the grade. In the event the course instructor is no longer at the University or is on a leave of absence during the semester following the contested grade or the instructor shall have refused to consult with such student, the student may proceed to the next stage, mediation by the Department Chair (where such exists). If no Department Chair exists, the next stage is mediation by the Dean of the College or School in which the course was offered.

Mediation by the Department Chair

If the student is dissatisfied with the result of his/her consultation with the instructor or the student shall have been unable to meet with the instructor because of the instructor’s refusal to meet or absence, the student may seek mediation of the matter with the Department Chair in the unit in which the course was offered. The instructor shall make available to his/her Department Chair all of the materials in his or her possession and the criteria which entered into the determination of the student’s final grade in the course. The student shall provide the Department Chair, in writing, the grounds for contesting the grade by the instructor. After receiving and reviewing these materials, the Department Chair shall meet with the student and the instructor, either jointly or separately, to attempt to mediate the dispute about the contested grade.

Mediation by the Dean of the College or School in which the course was offered

If the student is dissatisfied with the result of his/her consultation with the instructor and with the department chair (where appropriate) or the student shall have been unable to meet with the instructor because of the instructor’s refusal to meet or absence, the student may seek mediation of the matter with the Dean of the College or School in which the course was offered. The instructor shall make available to the Dean all of the materials in his or her possession and criteria which entered into the determination of the student’s final grade in the course. The student shall provide the Dean, in writing, the grounds for contesting the grade by the instructor. After receiving and reviewing these materials, the Dean shall meet with the student and the instructor, either jointly or separately, to attempt to mediate the dispute about the contested grade.

Appeal to Grade Appeal Committee

If, after mediation with the Dean, as provided above, the student is still dissatisfied with the result, she/he may file a notice of appeal with the Dean, which shall specify the grade requested and provide a written summary of the grounds for appeal to the Grade Appeal Committee. Such notification must be received by the Dean within 10 working days of the day on which the student faculty member consultation was completed. The process shall be terminated if notification is not received within the 10 working days. Upon receipt of the notice of appeal, the Dean shall forward it and all materials submitted by the faculty member and student during the mediation process to the Vice President for Academic Affairs, the faculty member, and the student. The Vice President for Academic Affairs, upon receipt of the notice and materials, shall appoint and convene a committee of five persons comprised of three faculty members (at least one and no more than two members from the department/ discipline from which the grade appeal originated and a minimum of one from other departments/disciplines) and two students from departments/disciplines outside the originating college/school to serve as the Grade Appeal Committee. The Vice President for Academic Affairs may request names of potential discipline-based committee members from the appropriate Dean and/or Department Chair. The awarding of grades that are fair and equitable is taken seriously by the University. Therefore, faculty members are urged to view a request to serve on a grade appeal committee as an important obligation and a service to the University which should be refused only under extraordinary circumstances. At its first meeting, the Grade Appeal Committee shall select its chairperson, set the date, time and place for the appeal to be heard, and review appeal materials from the Vice President for Academic Affairs. The committee shall advise the student and the faculty member of the hearing date. The Grade Appeal Committee may only request clarifying information related to the original documents of the appeal packet. Clarifying information requested from the student/faculty member by the committee should be requested through the Vice President for Academic Affairs. Any clarifying information gathered by the Vice President for Academic Affairs will also be shared with the student and/or faculty member.

Hearing

The hearing will take place before the entire Committee. The burden of proof rests with the student who shall, during the course of the hearing on the contested grade, be responsible for presenting evidence to support the claim. The hearing will be informal and the formal rules of evidence shall not be applicable. Oral testimony of witnesses may be presented but is not required. If either the student or the faculty member present witnesses, he/she must provide a written summary of the testimony expected of the witness(es) to the Vice President for Academic Affairs not later than five business days prior to the date of the hearing. The Vice President for Academic Affairs will then disseminate such information to the Committee and each party within 3 business days. The student or the faculty member may be accompanied by an advisor whose only role in the course of the hearing will be to render advice to the student/faculty member. The student is required to attend the hearing. It is recommended that the faculty member attend the
hearing. Should both the student and faculty member attend, they will meet with the committee jointly. The amount of time allotted to each party will be left to the discretion of the Committee. The hearing will not be audio, video, or digitally recorded.

**Decision**
The student will prevail only if at least four of the five members of the Committee agree that the relief (grade) sought should be awarded for the reasons stated in his/her notice of appeal and the student's grade be changed. The Committee shall report its decision in writing to the Vice President for Academic Affairs who will then disseminate the decision to the student, faculty member, Dean, and Department Chair (if applicable). The decision of the committee shall be final. If it is the judgment of the Committee that the grade be changed, the Vice President for Academic Affairs shall notify the University Registrar, who will enter the changed grade.

**STUDENT CONDUCT CODE**
The students of Washburn University are responsible for complying with policies, standards, rules, and requirements for academic and social behavior formulated by the University community. At the same time, students have protection through orderly procedures against arbitrary or capricious actions or decisions by University authorities. Due process is recognized as essential to the proper enforcement of University rules. The purpose of this document is to provide a procedure and rules by which a student will be afforded due process in the matter of alleged violations of University standards, rules and requirements governing academic and social conduct of students.

Prohibited behaviors include, but are not limited to: disruption and disorderly conduct which interferes with the rights and opportunities of other students to pursue their academic studies; theft or malicious destruction, intentional damage, or misuse of University property or private property of another member of the University community, whether occurring on or off campus; or theft or malicious destruction, intentional damage, or misuse on campus of property of a nonmember of the University community; unauthorized entry upon the property of the University or into a University facility or any portion thereof, including a computer file, which has been reserved, restricted in use, or placed off limits; unauthorized presence in any University facility after closing hours; or unauthorized possession or use of a key to any University facility; possession, use, or distribution on campus of any controlled substance as defined by the laws of the United States or the State of Kansas except as expressly permitted by law; possession or use of alcoholic beverages on campus except as permitted under policies adopted by the Board of Regents.

For a complete copy of the Student Conduct Code, contact the Student Life Office, Morgan Hall 240. The conduct code is also included in the Student Planner/Handbook.

**ACADEMIC IMPROPRIETY POLICY**
The grades and credits earned by college students in their courses provide an important measure of the quality and extent of their academic achievements. Preserving the integrity and significance of grades and credits is a professional responsibility of the teaching faculty, but requires the cooperation and support of students. The present policy is designed to assist faculty and students in this task. First, it identifies the basic presumption underlying the integrity and significance of academic grades and credits. Second, it defines as academically improper, and officially
forbids, all forms of student behavior that undermine, or that could reasonably be interpreted as undermining, the validity of this basic presumption. Finally, it requires faculty to take reasonable steps to prevent such behavior from occurring and to take appropriate academic action when it does occur.

The Basic Presumption—Grades or credits are fair and equitable measures of academic achievement only on the presumption that the academic work submitted by each student is his or her own and is created under course conditions or rules (e.g., time and resources allowed for the completion of an examination) common to all students in that course. The moment this presumption’s validity is reasonably doubted, the integrity of grades and credits as signs of actual academic achievement is seriously undermined. Therefore, it is incumbent on students and faculty alike to ensure that the validity of the basic presumption is preserved beyond any reasonable doubt.

For a complete copy of the Academic Impropriety Policy, contact the Vice President for Academic Affairs Office, Bradbury Thompson Center Suite 200. The policy is also located in the Student Planner/Handbook.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act of 1974, as amended, protects the privacy of students and provides for the right to inspect and review education records. These rights include, but are not limited to the following:

1. The right to inspect and review their education records.
2. The right to seek correction of their education records.
3. The right to file complaints concerning the alleged failures by the University to comply with the Privacy Act.
4. The right to restrict the release of Directory Information.

The Act prescribes the conditions under which information about students can be released without prior consent, some of which are listed below. For the University’s complete policy on FERPA, please see the Student Records section of the University Catalog or at washburn.edu/statements-disclosures/ferpa.

Disclosure to Faculty and Administrative Officers of the University

The University discloses academic records without written consent of students to university officials who have a legitimate educational interest.

Disclosure to Parents

Students may share their education records with parents at their own discretion. Academic records may be provided to parents who make the request directly to the institution upon:

a. Obtaining and providing the student’s written consent, or
b. Establishing the student’s dependency as defined by the Internal Revenue Code of 1954, Section 152.

Disclosure to Government Agencies

Some federal and state agencies specified in the Family Educational Rights and Privacy Act have the right to student records without written consent. In addition, judicial order or lawfully issued subpoenas can secure student records without the written consent of the student.

Disclosure to Other Individuals and Organizations

The University may release certain information identified by the institution as public or directory information without written consent. Directory information at Washburn University includes: name, photo, current address and phone number, permanent address and phone number, university-assigned e-mail address, classification status, major field of study, dates of attendance, awards and academic honors, enrollment status (full-time, half-time, less than half-time,) most recent educational institution attended, participation in officially recognized activities and sports, height and weight of members of athletic teams.

Students can “opt out” of this release, meaning the University will not release directory information without students’ written consent. To “opt out” of directory information, students submit a form to the Office of the University Registrar. The form may be submitted throughout the year and becomes effective when submitted. It remains effective until revoked in writing.

Students who do not want their name, current address, telephone number or email included in the online student directory may exclude information at any time during the year from the View/Update Campus Directory Profile under the Student Life tab in MyWashburn. Students who withhold information from the online student directory are not “opting out” of directory information for FERPA purposes.

If no listing in the Commencement Program is desired, the student must notify audits@washburn.edu of this intention after first submitting an online Application for Graduation located on the Student Academic tab of MyWashburn.
