

Mason is a Finance and Entrepreneurship & Innovation major at Washburn University. A dedicated campus leader, Mason serves as the Vice President of the Beta Alpha Psi Accounting and Finance Club and supports the local business community as a Business Concierge Intern for the Greater Topeka Partnership. He has been consistently recognized for his academic excellence, earning the MIAA Academic Excellence award in 2024 and 2025 and receiving induction into the Beta Gamma Sigma International Business Honor Society. On the court, he serves as Captain of the Men's Tennis team, leading the program to two National Championship appearances. Mason maintains a truly global perspective, as the team he leads features student-athletes from eight different countries. A fun fact about Mason is that he is currently collaborating with the Small Business Development Center (SBDC) to develop a business plan to open a Padel facility in Oklahoma City.
