General Education 5-Year Review

All approved general education courses submit materials, on a rotating schedule, once every five years.

Submission materials include: course USLO assessment data for each of the prior five years, “closing the loop” discussion of assessment data, master syllabus for the course, example syllabi for all modalities (synchronous, asynchronous) and instructor-type (full time, part time) taught.

Submitted, upon request, via email to assesment@washburn.edu

No 5-Year Reviews for 2023-2024 Academic Year
