

SCHOOL OF APPLIED STUDIES

Family and Human Services

Certificate in Trauma and Recovery

Requirements for Master of Arts – Family and Human Services/Addiction Counseling Students

The Family and Human Service Department Certificate in Trauma and Recovery enhances your ability to work effectively with people who have experienced trauma.

T&R Certificate Requirements for MA-FHS/AC Students

Complete the required coursework for the MA-FHS, meeting all criteria to earn the degree.

Complete the following additional coursework:

can be taken at graduate or undergraduate level based on student needs and preferences

- **HS 301/601 Working with Trauma**
- **Approved Elective**

offerings change from semester to semester; ask your advisor for current options
We highly recommend *HS 685 Trauma and Recovery Services*

Complete a Trauma-Informed Practice assignment in your Practicum II Course:

This assignment will require you to demonstrate an evidence-based trauma-informed approach to your addiction counseling fieldwork. The assignment can be completed as part of any Practicum placement, and does not require extra fieldwork hours.
