

Before you Apply: Do you meet the minimum criteria for most Biology Department Scholarships?

1. Declared Biology Department Major (some exceptions may apply – see below and / or contact the Biology Department)
2. Minimum of a 3.0 GPA (cumulative and / or in biology courses)
3. Making adequate progress towards earning a Biology Department Degree (e.g., Must take at least one class required for the degree each semester.)

**Washburn University Biology Department Scholarship Application Form
For the 2022-23 Academic Year**

All Washburn Biology Department majors who are interested in receiving departmental scholarships MUST fill out the below form in order to be considered eligible candidates. Some non-Biology Department majors who are pre-medical, pre-dental or other students **may** be eligible for scholarships and should also fill out an application.

Transfer students who intend to declare a major in the Biology Department may also complete this application.

Please return the completed form to the Biology Office before the end of closing (5:00 p.m.) on **February 18, 2022**. A Drop Box is located in ST 202 for your convenience. Completed applications can be returned by email to biology@washburn.edu or mailed to: Biology Scholarship Committee, Biology Department, Washburn University, 1700 SW College Ave, Topeka, KS 66621. Postmark must be dated Feb. 18, 2022.
