

Research Project Selection

Prior to selecting a Research Director:

1. Students must set up a research conference appointment to talk with all tenure track faculty members about the individual faculty member's research projects.
2. Verify completion of the conference by obtaining the signatures of each faculty member on this form.
3. Provide the name of the faculty member who will serve as research director and title of research project on this form and obtain the directors initials on the project.
4. Submit the completed form to the departmental chair.

Faculty Signatures

<input type="checkbox"/> _____ Dr. Seid Adem	<input type="checkbox"/> _____ Dr. Hoang Nguyen
<input type="checkbox"/> _____ Dr. Allan Ayella	<input type="checkbox"/> _____ Prof. Holly O'Neill
<input type="checkbox"/> _____ Dr. Sam Leung	<input type="checkbox"/> _____ Dr. Shaun E. Schmidt

Name of Student: _____

Name of Research Director: _____

Title of Project: _____

Regardless of your research interest, all students must learn safe laboratory procedures including proper storage of hazardous waste. Please contact the laboratory supervisor, Vickie Davidson, to set up a time for her to go over these items with you. When your instruction is complete, have the Laboratory Supervisor sign. Return this form to the department prior to beginning research.

Vickie Davidson, Laboratory Supervisor

Date

Refer to the Research Syllabus for important additional information.
