Spring 2017

Majors Declared Summary

The Majors Declared Summary provides a summary of Students by Major. Active students include those who are currently active in business processes. Students are reported once per active major. For a detailed list of Students see the Major Summary Report.

3. Select **REPORT TYPE** & Click **RUN**

2. IMPORTANT: For a more accurate list, ensure that only Registered students are displayed

Select Department(s): Select Major(s): Select Student Registration Status: All
