GENERAL INFORMATION

Number of Schools = 24
Number of Exams Given = 173
Points Possible on the Exam = 40
High Score on the Exam = 36
Team = Top 3 Scorers
Team Score = Sum of Top 3 Scores
Maximum Possible Team Score = 120

Ties among individuals are broken using results from the more difficult problems on the exam, and ties among schools are broken using the scores of the top 4 or 5 students.
