

2007-2008 Season

## The Illusion

by Pierre Corneille

November 9,10,16,17,18

art: Barbara Waterman-Peters

When a rigid father engages a magician to find his estranged son what ensues is a theatrical game, part farce and part romance. Is reality an illusion or simple matter of perception? Obsession, murder, passion, and love mingle with fantasy and transcendence of time and place in this version of L'illusion Comique.

## Cast
