

2001-2002 Season

The LARAMIE Project

by Moises Kaufman & The Tectronic Theatre Company

Nov. 9, 10, 16, 17 & 18

Art: Barbara Waterman-Peters

There are moments in history when a particular event brings the various ideologies and beliefs prevailing in a culture into sharp focus. At these junctures the event becomes a lightning rod of sorts, attracting and distilling the essence of these philosophies and convictions.
