Welcome to Integrated Studies!
 This first year introduces you to college and building skills. Begin working with your advisor to design the base for your Individual Study Plan (ISP).

This year you will finish most general education requirements as well as work with your advisor to tailor your experience through major and minor course selection

Continue to work with your advisor to plan complete your ISP.

This year you will complete your Capstone. Work with a mentor to implement a project you design that integrates your program of study.

**RELEVANT
 EXPERIENCE**

Join a club. Check out Bods Connect
 Consider participating in one or more Washburn Transformational Experience (WTE) programs.
 *If you are interested in Leadership, consider taking LE 100 for your G.E. SS 1 or 2.
 *Explore the Honors Program

Consider applying to be a FYE (First Year Experience) Peer Educator or a SOC (Summer Orientation Counselor).

Create and maintain a LinkedIn account.
 Take a leadership position within a club or activity.
 Identify professors who can serve as strong references for you, in applications for employment or graduate school.
 Present research at a conference.

Investigate requirements for careers or professional schools related to your interests.

 Complete an internship.

**BUILD
 YOUR
 NETWORK**

Talk to the LinC office if interested in a Community Service WTE.
 Connect with Career Services to begin designing your résumé.
 Attend the fall and spring career fairs each year you're here.

Participate in the Big Event.
 Join student organizations in areas of interest, including student government.
 Meet with your advisor about career opportunities.
 Think about how you can select elective courses to strengthen your transcripts.

Research internships.
 If interested in graduate school, begin studying for entry exams (GRE, LSAT, MCAT, GMAT)
 Contact alumni or network at events with people working in careers of interest.

Join professional organizations, WU alumni group.
 Polish your résumé.
 Apply for graduate programs (many fall deadlines) or employment.
 Utilize Career Services to search for jobs/internships and complete a mock interview.

**GLOBAL
 THINKING**

Consider being a WU buddy with an international student.

Apply for study abroad. Go to the International House to look for International Experience (IE) WTE opportunities.

Complete an IE-WTE.
 Build your intercultural competence by getting involved with other cultures through the Washburn International Club.

Consider exploring career options abroad.

If interested in teaching abroad, begin looking at course offering through the International House.
