

Valid for Catalog Years 2023-2024; Expires Summer 2030

This worksheet provides a study plan outline to enable students wanting to combine their business studies with a law degree, and complete their Juris Doctorate degree at Washburn University in six years total, earning a BBA in General Business along the way. This worksheet should not replace processing a degree audit, which is a more thorough examination of requirements completed and those that are still needed. This is especially true in regard to transfer credit evaluations when typically only limited information is available.
