

QI Faculty Dinners

For each of the three sub-themes or focus areas, facilitate an appreciative inquiry interview process. Feedback from this process may help broaden the perspective and identify unforeseen possibilities in development of more comprehensive proposals.

1. Welcome
 - President Jerry Farley

2. Overview of HLC QI: Excellence in Education - Student Transitions, Faculty Transitions, Technology Competence
 - VPAA Randy Pembroke

3. Small Group Discussions (Facilitated):
 - a. Discovery Questions:
 1. Describe a time when you and/or the University was involved in a process or project regarding this sub-theme that was excellent; a high-point experience; a gold star outcome!
 2. What was key to that positive experience?

 - b. Capacity Questions:
 1. What did you learn from that experience that may apply to a QI project today?
 2. What resources do we have that can ensure a similar success?

 - c. Forward Questions:
 1. In 5 years, what are the possibilities? What are the results or outcomes of this initiative area?
 2. What will be the indicators of success?

4. Report Out
 - a. Each table present highlights of discussions
 - b. Open Discussion

5. Key Elements of Initial Proposals
 - Tom Underwood
