

Payment Options at WU – Tuition Fees/On-Campus Housing

The deadline to pay your Spring or Fall semester charges for tuition/on-campus housing is **usually the last Friday of January (for Spring) or August (for Fall)**. By this date, you must either pay your charges in full or set up a 3-month or 4-month payment plan (which has an extra \$30 processing charge). Please check the semester calendar to confirm the specific payment deadline.

You can pay online through **MyWashburn** (<https://my.washburn.edu>) through **WU-View**, under the **Financial Services** tab:

Important: If you pay online by credit card, you must pay an extra charge of 2.85% of the total amount.

Other payment options through the **Cashier's Window** (Morgan Hall/MO, Room 103-O):

- Debit card
- Cash, traveler's checks, cashier's (bank) check, local personal check or money order

Important: The Cashier's Window does not accept credit card payments.

Flywire: For students who want to pay by wire transfer from an international bank

Washburn is a partner with **Flywire**, which assists students who want to wire funds from an international bank to the University. Flywire can assist students in seven languages, and offers multilingual assistance at anytime for students with questions.
