

Manual Account Creation:

Manual account creation is a two step process. First completing the Account Creation page pictured below, and then activating your account by clicking a link in e-mail sent to the e-mail provided on the Account Creation page. With this process, Dynamic Forms is authenticating that the person creating the account is the owner of that e-mail address.

Step One:

Visit <https://dynamicforms.ngwebsolutions.com> and click the "Create a New Account" link.

The image shows a login form with the following elements:

- A header bar labeled "Log In".
- A "User Name" label above an empty text input field.
- A "Password" label above an empty password input field.
- A blue "Log In" button.
- Below the button, three links: "Create a new Account", "Forgot your user name?", and "Forgot your password?".

A red arrow points from the right towards the "Create a new Account" link.

Then complete this "Create a new account" page, and click the "Create Account" button.

An activation e-mail will be sent to the e-mail you provided on this page.
