CITY: _____ **STATE**: _____ **ZIP**: _____

BIRTHDATE: _____ **EXPECTED GRADUATION DATE**: _____

HIGH SCHOOL: _____

HIGH SCHOOL GPA
UNWEIGHTED: _____ **WEIGHTED (if applicable)**: _____

ANTICIPATED AREA OF STUDY OR MAJOR IN COLLEGE:

_____

Note: the following section is optional; leaving these blank will not disqualify you for either scholarship. However, the Minority Women in STEM Scholarship gives preference to minority women. Please check the boxes if you belong to these categories and wish to identify as such.

☐ **I identify as female**

I identify as:

☐ **Hispanic or Latino**
☐ **American Indian or Alaska Native**
☐ **Asian**
☐ **Black or African American**
☐ **Native Hawaiian or other Pacific Islander**
☐ **White**

Note: The following questions are critical for us to determine the most qualified candidates. However, many of our applicants do not speak English as their first language. If you wish, you may submit a letter of recommendation written by someone else (a teacher, for example), but the letter must still answer the questions below. Please feel free to email Monique Robins if you have any questions at monique.robins@washburn.edu.

Please list science, computer, or math classes taken that have impacted your choice of future study. You may also list extracurricular activities, including work experience, if applicable to your science interests. (250 words maximum)

Describe up to three academic honors you have received and explain how each showcases your academic or scientific accomplishments: (250 words maximum)

Please explain why you are interested in earning a degree in your chosen scientific or computer-oriented field. (500 words maximum)
