

University Diversity and Inclusion

The Office of University Diversity and Inclusion is accepting application for students, faculty and staff to apply to be a part of a University team to attend the National Conference on Race and Ethnicity (NCORE) in Portland, Oregon. The conference will be held on May 28- June 1, 2019. NCORE is a comprehensive national forum on issues of race and ethnicity in American higher education. The conference sessions focus on creating and sustaining comprehensive institutional change designed to improve racial and ethnic relations on campus and to expand opportunities for educational access and success by culturally diverse, traditionally underrepresented populations. NCORE is designed to provide a significant forum for discussion, critical dialogue, and exchange of information as institutions search for effective strategies to enhance access, social development, education, positive communication, and cross-cultural understanding in culturally diverse settings.
