

MINUTES
ASSESSMENT COMMITTEE

Friday, September 28, 2007

Henderson 107

1:30 p.m.

Present at the meeting were Donna LaLonde (chair), Nancy Tate, Denise Ottinger, Melodie Christal, Cathy Hunt, Diane McMillen, Joanne Altman, Bassima Schbley, Kandy Ockree, Patti Bender, Jim Hoogenakker, Jane Carpenter, Don Vest, and CJ Crawford (administrative support).

The committee met prior to the Assessment Liaison workshop to review the agenda and final preparations.

There was a question and brief discussion on how to involve adjunct instructors in the assessment process.

Donna said that because the next workshop in October would focus on OASIS and was being planned by members of that team, it wouldn't be necessary for the committee to meet after the workshop.

Donna reminded everyone about the Rubrics and Rolls workshop on September 29, and said there was still room available.

The meeting adjourned.
