

Greetings...

I am forwarding a proposal from the Faculty Affairs Committee regarding the appointment of the Academic Sabbaticals Committee. We will discuss this Monday under Committee Reports

Russ Jacobs
Faculty Senate President

Russ & Mike:

I am pleased to inform you that the Faculty Affairs Committee has developed a concrete proposal with respect to the establishment of Academic Sabbatical Committee. I will be happy to present this proposal to the Faculty Senate at the October 10th meeting.

Proposal: The Faculty Senate Constitution places a distinct responsibility on the Faculty Affairs Committee to promote the general welfare of the faculty members, including sabbatical leaves. Accordingly, the FAC has decided the following: The FAC shall appoint members of the Academic Sabbatical Committee (ASC). The FAC shall request each School and Division of College to nominate a member of their School/Division faculty to be appointed to the ASC. The FAC shall consider all nominations and select an appropriate ASC committee. The FAC shall appoint the chair of the ASC from among its own members.

We will be working on the establishment of the Sweet Sabbatical Committee as well. But we went ahead to propose the establishment of the ASC since applications are due in November. regards,

L. Ali Khan

(Chair, FAC)
