Washburn is dedicated to providing a student-centered and teaching focused academic environment and a curriculum that engages the diversity of human experience across the globe. We seek candidates who are committed to Washburn's efforts to create a climate that fosters the growth and development of a diverse student body, and we encourage applications from members of groups that have been historically underrepresented in higher education. Application materials should clearly articulate how the candidate will contribute to the University's commitment to diversity and inclusion through their teaching, research, and/or service.
