

REQUEST FOR PROPOSAL RFP 26008

FIRE LANE INSTALLATION – CONCRETE PAVEMENT

- RFP Number:** The above Request for Proposal Number has been assigned to the Request and **MUST** be shown on all correspondence or other documents associated with this Request and **MUST** be referred to in all verbal and written communications. *All inquiries, written or verbal, unless otherwise specified herein, shall be directed to purchasing@washburn.edu only.*
- Purpose:** This document constitutes a request from Washburn University for competitive proposals from vendors in accordance with the terms, conditions, requirement and instructions stated herein.

READ THIS REQUEST CAREFULLY

Failure to abide by all of the conditions of the Request for Proposal (RFP) may result in the rejection of a bid.

SECTION 1: INTRODUCTION

1.1 Purpose of Request

Washburn University is soliciting proposals from qualified contractors to furnish all labor, materials, equipment, and supervision to construct a new 8-inch-thick concrete fire lane pavement and two new 6-inch-thick concrete sidewalks pavement on the Washburn University campus at 1830 SW Jewell Avenue, Topeka, Kansas 66621.

Fire Lane work shall include installation of a reinforced concrete pavement capable of supporting heavy fire apparatus loading in compliance with applicable fire access standards, and integration with existing site conditions.

This RFP seeks competitive proposals from contractors experienced in concrete paving and site work for institutional or public sector projects.

1.2 RFP Details

Important Dates

RFP Issued	February 18, 2026
Walk Through (Highly Recommended)	February 27, 2026; at 1 PM CST
RFP Inquiry Questions Due	March 3, 2026
Proposal Due Date	March 5, 2026; at 2 PM CST

*Proposals must be received by **March 5, 2026, at 2 PM (CST)** local time. Proposals must be in electronic format and must be received by the date, time, and place stated herein in order to be considered.*

Inquiries

All inquiries about the RFP must be submitted electronically. Please be mindful that the bid **MUST** be received by the University in the Purchasing Office by **March 5, 2026, at 2 PM CST:**

Gabrielle Rye
Buyer
1700 SW College Ave
Morgan 214
Topeka, KS 66621
purchasing@washburn.edu

Questions arising subsequent to the issuance of the RFP that could have an impact on the responses should be submitted by **March 3, 2026**, to purchasing@washburn.edu. All official answers to questions submitted will be in the form of an addendum and be in written form **ONLY**. No other answers given in any other format will be deemed valid for this RFP.

Submission

Email your proposal to Washburn Purchasing (purchasing@washburn.edu) by 2:00 pm, Central Time on **March 5, 2026**. Adobe PDF document type is preferred, but Microsoft Word and Excel document types are accepted.

Washburn University reserves the right to reject any or all proposals, to waive or refuse to waive errors or omissions in any proposal, to extend the time for submission of proposals, or to withdraw this request at any time. In no event shall a vendor submit its own standard contract terms and conditions as a response to this RFP. The vendor should address specific language or exact contract deviations that its firm wishes to negotiate in a section entitled exceptions.

Acceptance

Washburn University may award the contract to the vendor whose proposal is determined to be the most beneficial to the University. The University will contact the vendor upon acceptance of a proposal. Washburn University will also notify all unsuccessful proposers as to the outcome of the evaluation process. This RFP does not oblige the University to award a contract and reserves the right to cancel this RFP if cancellation is in the University's best interest.

Parties to the RFP

Parties to the contract will be Washburn University and the vendor. Invoices for all services and reimbursable expenses will be submitted to the Washburn University department of record for payment. Approved payments will be subsequently made by Washburn University in accordance with the contract.

Costs of Proposal Preparation

The cost of developing and submitting the proposal is entirely the responsibility of the vendor. This includes costs to determine the nature of the engagement, preparation of the proposal, submitting the proposal, negotiating for the contract and other costs associated with this RFP.

Competition

The purpose of this RFP is to seek competition. The vendor shall advise the Washburn University Purchasing Office if any specification, language or other requirement inadvertently restricts or limits

RFP 26008 Fire Lane Installation – Concrete Pavement
Washburn University, 1700 SW College Ave, Topeka, KS 66621

bidding to a single source. Notification shall be in writing and must be received by the Washburn University Purchasing Director no later than five (5) business days prior to the bid closing date. The Washburn University Purchasing Director reserves the right to waive minor deviations in the specifications which do not hinder the intent of this RFP.

News Releases

Only Washburn University is authorized to issue news releases relating to this RFP, its evaluation, award and/or performance of the contract.

SECTION 2: INSTRUCTIONS FOR SUBMITTING A PROPOSAL

- 2.1 **Submittals:** Proposals shall consist of electronic copy attached to submission email including supporting documents to Washburn University at purchasing@washburn.edu. Bidder's proposal shall be received by the closing date and time listed on the cover sheet.

Alternate Bids (If Applicable): Each Bidder shall bid all alternates included in the Bid Proposal Form except, should he desire not to bid an alternate, he may insert the words "no bid" in the space provided for prices for such alternate. However, when a Bidder writes "no bid" for one or more alternates, he thereby waives any claim to the contract award if that alternate (or those alternates) becomes the basis for determining the low bid and/or change contract award. If an alternate price called for involves no change in price, Bidder shall so indicate by writing the words "no change" in the space provided. If the space provided for an alternate price is left blank, the blank space shall mean no bid. All amounts shall be clearly marked to indicate whether Alternate Price is an "ADD" or a "DEDUCT" price from the BASE BID Price. If neither is indicated, then "ADD" shall be implied.

- 2.2 **Signature of Proposals:** Each proposal shall give the complete mailing address of the vendor and be signed by an authorized representative by original signature with his or her name and legal title typed below the signature line.
- 2.3 **Acknowledgment of Addenda:** All vendors shall acknowledge receipt of any addenda to this RFP by returning a signed hard copy with the bid. Failure to acknowledge receipt of any addenda may render the proposal to be non-responsive. Only Washburn University shall issue changes to this RFP, which will be in writing.
- 2.4 **Modification of Proposals:** A vendor may modify a proposal by email at any time prior to the closing date and time for receipt of proposals.
- 2.5 **Withdrawal of Proposals:** A proposal may be withdrawn by email from the vendor to Gabrielle Rye in the Purchasing Office at Washburn University prior to the closing date. Unless otherwise provided in any supplement to these Instructions, no Bidder shall modify, withdraw, or cancel a bid or any part thereof for ninety (90) days after the opening time of bids.
- 2.6 **Proposal Disclosures:** At the time of closing, only the names of those submitting proposals shall be made public information. No pricing or other proposed information will be released. Interested vendors or their representatives may be present at the announcement.
- 2.7 **Proposal Format:** It is the vendor's responsibility to submit complete responses in accordance

with the format and instructions requested. It is the vendor's responsibility to submit information related to the evaluation categories and the University is under no obligation to solicit any information not included in the submitted proposal. Failure to submit information may cause an adverse impact on the evaluation of the vendor's proposal.

Vendors are requested to provide a point by point response to all requirements listed in the Request for Proposal.

Vendors are requested to organize their proposal into distinctive sections that correspond with the requested format stated below.

Tab 1: Contractor Qualifications

Exhibit A – General Information

Exhibit B – Project Specific Information

Exhibit C – Past Project Experience (*similar to project being bid*)

Provide Subcontractor(s), if known.

2.8 Evaluation of Proposals: Proposals will be evaluated using, but not necessarily limited to, the following criteria:

- Cost – Vendors are not to inflate prices in the initial proposal as cost is a factor in determining who may receive an award or be invited to formal negotiations. The University reserves the right to award to the lowest responsive proposal without conducting formal negotiations if recommended by the PNC and approved by the Director of Purchasing. Price – Vendor's total project price will be compared to other vendors. The award will be made on best overall value.
- Vendor Experience – Vendor has successfully completed similar projects and has the qualifications necessary to undertake this project as evidenced by provided references and examples of past work.
- Response format as required by this Request;
- Adequacy and completeness of proposal;
- Vendor's understanding of the project;
- Compliance with the terms and conditions of the Request;
- Experience in providing like services;
- Qualified staff;

- Methodology to accomplish tasks.

Evaluation Process: After determining a proposal satisfies the mandatory requirements in the Request for Proposal, a comparative assessment of the proposal in relationship to the published evaluation criteria shall be made. The University reserves the right to consider historic information and fact, whether gained from the proposal, vendor presentations, references, or any other source, in the evaluation of the proposals.

2.9 **Pre-Award Presentations and Negotiations:**

2.9.1 As part of the evaluation process, the University may require presentations from the highest ranked proposals.

2.9.2 Prior to award, the University may elect to communicate with the highest ranked vendors submitting a proposal for purposes of:

1. Resolving minor differences and informalities;
2. Clarifying necessary details and responsibilities;
3. Emphasizing important issues and points; or
4. Examining ways to improve any subsequent contract and/or its constituent documents.

2.10 **Additional Information:** The University reserves the right to request additional information or clarification on any matter included in a proposal. The University reserves the right to negotiate with any vendor or vendors to arrive at a final decision.

2.11 **Washburn University Purchasing Consortium/Cooperative Memberships:** Washburn University is a member of E&I, Sourcewell, Omnia Partners, Choice Partners, Greenbush, BuyBoard, PACE and GSAdvantage. The University is also eligible to receive pricing available on State of Kansas contracts that indicate 'Yes – All Political Subdivisions'. Vendors/Manufacturers who participate in more than one of these should quote the lowest available contract cost for materials/services. Contact Gabrielle Rye at Gabrielle.Rye@washburn.edu for assistance in determining whether you or your supplier is a participating contract/consortium vendor.

2.12 **Bid Security:** Consisting of a bid bond of 5% of the full amount of the Bid will be required for any bid over \$40,000. Bid security shall be made payable, without condition, to Washburn University, Topeka, Kansas, Attn: Luther Lee, Vice President for Administration and Treasurer, as a guarantee that the Bidder, if awarded the contract, will promptly execute a contract in accordance with the Bid Form and Contract Documents, and will furnish surety bonds for faithful performance of the work. Bid security will be retained until the contract is awarded or other disposition is made.

(CASHIER'S CHECK and/or MONEY ORDERS shall **NOT** be an acceptable substitute)

Bid security may be forfeited as liquidated damages for all costs, delay, and other expenses created if the successful bidder fails to execute the contract and furnish bonds as requested by this document.

- 2.13 **Bonds:** Within seven (7) calendar days of the notification of intent of Washburn University to issue a contract, the selected Bidder shall furnish the following:
1. A Performance Payment bond in the amount of 100% of the contract price when contract exceeds \$40,000.
 2. A Statutory Payment Bond in the amount of 100% of the contract price when contract exceeds \$40,000.

Furnish bonds of the same format as sample forms included herein and with sureties as approved by the University, and as authorized to transact business in Kansas. Deliver to the University Director of Purchasing one copy of the Performance Bond.

Contractor shall file the Statutory Bond and pay fee to the Clerk of the District Court Shawnee County and deliver to the Director of Purchasing one copy of Statutory Bond stamped to indicate that the bond has been approved and filed with the Clerk of the District Court.

- 2.14 **Permits:** Contractor shall be familiar with local conditions under which work is to be performed, including pertinent state and local codes and the conditions of labor and material markets. Contractor shall be responsible for obtaining all necessary building permits from the City of Topeka, and shall include the cost of the permits in the bid.
- 2.15 **New Vendor:** Please submit a W-9 with your proposal if you are a new vendor. You can find this form at: <http://www.irs.gov/pub/irs-pdf/fw9.pdf?portlet=3>

SECTION 3: SCOPE OF SERVICES REQUESTED

Scope of Work Fire Lane

The Contractor shall perform all operations necessary for a complete installation, including but not limited to:

Pre-Construction Services

- Attend pre-construction meetings and site walk-through.
- Verify site conditions and utility locations.
- Provide traffic control plans and safety plans.

Earthwork & Subgrade

- Clear and grade subgrade in preparation for pavement.
- Compact subgrade to required density.
- Place and compact aggregate base as required to support 8-inch concrete section.

Concrete Pavement

- Furnish and install 8-inch-thick reinforced concrete pavement designed for fire apparatus loads.
- Reinforcement and mix design in accordance with standards for heavy load pavement (e.g., HS-20/HS-25).
- Saw cutting, forming, finishing, and curing of concrete.
- Joints, reinforcement, and edge detailing per best practices.

Concrete fire lanes must support emergency vehicles and meet structural load requirements consistent with fire apparatus access standards.

Drainage & Utilities

- Provide positive drainage adjacent to the pavement.
- Coordinate and adjust existing utility structures (valves, manholes) within the fire lane.

Markings and Signage

- Apply striping and fire lane markings per Washburn University requirements and applicable code.
- Coordinate Fire Department approval of markings and access.

Final Cleanup & Close-Out

- Complete all restoration and cleanup.
- Provide “as-built” drawings and warranty documentation.

Technical Requirements

- Contractor shall comply with all applicable local, state, and federal codes.
- Fire lane design and installation shall support emergency apparatus loads and meet applicable access requirements per fire code and agency standards.
- Contractor shall coordinate with the Washburn University Facilities Management and the local Fire Department throughout.

Technical Specifications – Concrete Fire Lane (8-Inch)

General Requirements

1. Construct an 8-inch-thick Portland cement concrete fire lane designed to support fire apparatus loads in accordance with applicable local fire code requirements and institutional standards.
2. Work shall comply with the latest editions of:
 - ACI 301 – *Specifications for Structural Concrete*
 - ACI 318 – *Building Code Requirements for Structural Concrete*
 - ASTM standards referenced herein
 - Local Fire Authority and Jurisdictional Standards

RFP 26008 Fire Lane Installation – Concrete Pavement

Washburn University, 1700 SW College Ave, Topeka, KS 66621

3. Contractor shall verify all subgrade conditions prior to placement and notify the Owner of unsuitable conditions.

Subgrade and Base Preparation

1. Subgrade shall be:
 - Proof-rolled and compacted to minimum 95% of ASTM D1557 (Modified Proctor).
 - Free of organic material, soft spots, and standing water.
2. Provide minimum 6 inches of compacted aggregate base, ASTM D2940 or local equivalent, compacted to 95% Modified Proctor.
3. Final base tolerance: $\pm\frac{1}{2}$ inch.

Concrete Thickness and Geometry

1. Pavement thickness: 8 inches minimum.
2. Concrete shall be placed monolithically; no feathering or partial-depth placements permitted.
3. Cross slope: 1.5%–2% maximum unless otherwise directed by plans.

Concrete Mix Design

Concrete shall be designed specifically for fire lane / heavy-duty pavement use.

Minimum Mix Requirements:

- Compressive strength: 4,500 psi at 28 days
- Cementitious content: Minimum 564 lbs./yd³
- Water-cement ratio (max): 0.45
- Air entrainment: 5% $\pm$ 1.5%
- Slump: 3–5 inches (maximum 6 inches with approved admixtures)
- Aggregate: ASTM C33, well-graded, $\frac{3}{4}$ -inch nominal maximum size
- Admixtures:
 - ASTM C494 Type A or D water reducer
 - No calcium chloride permitted

Contractor shall submit mix design for approval prior to construction.

Reinforcement

- Provide #4 rebar at 18 inches on center each way, centered at mid-depth, OR
- Provide 6x6 W2.9/W2.9 welded wire fabric, properly supported
- Reinforcement shall be continuous through joints unless otherwise detailed

Jointing Requirements

Control Joints

1. Control joints shall be:
 - Spaced at maximum 10 feet on center
 - Saw-cut to $\frac{1}{4}$ pavement depth minimum (2 inches)
2. Saw-cut joints within 6–12 hours of placement to prevent random cracking.
3. Control joints shall be continuous across full lane width.

Construction Joints

1. Required where concrete placement is interrupted.
2. Provide smooth dowels:
 - $\frac{3}{4}$ -inch diameter x 18 inches long

- Spaced at 12 inches on center
- One end greased or sleeved to allow movement

Expansion Joints

1. Provide expansion joints:
 - At intersections with buildings, basins, utility structures, or existing concrete
2. Joint material:
 - ½-inch pre-molded expansion joint filler conforming to ASTM D1751

Surface Finish and Marking

1. Finish shall be light broom finish, perpendicular to direction of travel.
2. Edges tooled with ½-inch radius.
3. Fire lane markings (if required) shall comply with local fire code:
 - Red paint and stenciling
 - Durable traffic-grade coating

Curing and Protection

1. Concrete shall be cured for minimum 7 days using:
 - ASTM C309 curing compound, or
 - Wet curing methods
2. Protect pavement from:
 - Construction traffic for minimum 7 days
 - Fire apparatus for minimum 14 days, or until achieving 75% design strength

Testing and Quality Control

Field Testing

Testing shall be performed by a certified testing agency.

- Slump: ASTM C143 – one test per 50 cubic yards
- Air content: ASTM C231 or C173
- Temperature: ASTM C1064

Compressive Strength Testing

- ASTM C39
- Minimum:
 - One set of four cylinders per 50 cubic yards
 - Or one set per day of placement
- Acceptance criteria:
 - Average strength $\geq$ 4,500 psi
 - No single test below 90% of specified strength

Thickness Verification

- Pavement less than 7.75 inches thick may be rejected or require corrective action

Acceptance Criteria

Work will be accepted upon:

1. Compliance with thickness, strength, and jointing requirements
2. No uncontrolled cracking, scaling, or surface defects

3. Approval by Owner's Representative and Fire Authority (if required)

Scope of Work Sidewalks

PROJECT DESCRIPTION

The project consists of furnishing all labor, materials, equipment, and supervision necessary to construct approximately [insert linear feet] of new sidewalk.

Scope Includes:

- Site preparation and grading
- Subgrade preparation and compaction
- Aggregate base installation
- Formwork
- Concrete placement and finishing
- Jointing and curing
- ADA-compliant curb ramps (if applicable)
- Restoration of disturbed areas
- Traffic and pedestrian control

DESIGN AND TECHNICAL SPECIFICATIONS

Dimensions

- Width: 60 inches (5 feet)
- Thickness: 6 inches minimum
- Cross slope: Maximum 2% per ADA requirements
- Running slope: Compliant with ADA guidelines (generally not exceeding 5% unless designed as a ramp)

Subgrade Preparation

- Subgrade shall be proof-rolled and compacted to a minimum of 95% Standard Proctor density per ASTM International standards.
- Remove all organic or unsuitable material.
- Maintain proper drainage and positive slope away from structures.

Aggregate Base

- Minimum 4 inches compacted crushed aggregate base (unless otherwise specified by geotechnical report).
- Compacted to 95% Standard Proctor.
- Base shall be moist but not saturated at time of concrete placement.

Concrete Specifications

- Compressive strength: Minimum 4,000 PSI at 28 days.
- Air entrainment: 5–7% (required in freeze-thaw climates).
- Water-cement ratio: Maximum 0.45.
- Reinforcement:
 - Fiber-reinforced concrete OR
 - #3 rebar at 18" O.C. each way OR
 - 6x6 W2.9xW2.9 welded wire mesh (as specified by engineer)

Concrete shall comply with applicable standards from:

RFP 26008 Fire Lane Installation – Concrete Pavement
Washburn University, 1700 SW College Ave, Topeka, KS 66621

- American Concrete Institute (ACI 301 & ACI 330)
- ASTM International material specifications

Jointing

- Control joints: Tooled or saw-cut at intervals not exceeding 5 feet (equal to sidewalk width).
- Depth: $\frac{1}{4}$ of slab thickness (minimum 1.5 inches).
- Expansion joints:
 - Installed at structures, driveways, curb returns, and every 20–30 feet.
 - $\frac{1}{2}$ -inch pre-molded expansion joint material.

Finishing

- Broom finish perpendicular to pedestrian travel direction.
- Edges rounded with $\frac{1}{4}$ -inch radius edging tool.
- Surface free of birdbaths and irregularities.
- Slip-resistant surface meeting ADA requirements.

Curing

- Cure for minimum 7 days using:
 - Liquid membrane-forming curing compound OR
 - Wet cure method (burlap/polyethylene sheeting)
- Protect from freezing, rain, and premature drying.

ADA Compliance

Sidewalk and ramps must meet all requirements of the Americans with Disabilities Act of 1990, including:

- 2% maximum cross slope
- Detectable warning panels at curb ramps
- Proper landing dimensions
- Maximum $\frac{1}{4}$ " vertical changes without bevel

BEST PRACTICES REQUIREMENTS

Contractor shall follow best practices including:

- Proper moisture conditioning of subgrade and base
- Avoid overwatering concrete
- Use proper vibration and consolidation methods
- Maintain consistent finishing timing
- Prevent plastic shrinkage cracking
- Provide cold-weather or hot-weather concreting procedures per ACI guidelines
- Ensure positive drainage away from sidewalk

QUALITY CONTROL & TESTING

Contractor shall provide:

- Concrete mix design submittals
- Slump tests
- Air content tests
- Compression test cylinders (minimum 1 set per 50 CY or per day's pour)
- Density testing of subgrade and base

Testing shall comply with applicable ASTM International procedures.

TRAFFIC & SAFETY

- Provide pedestrian detours compliant with ADA.
- Implement traffic control per the Manual on Uniform Traffic Control Devices (MUTCD).
- Maintain access to adjacent properties.

See Warranty Requirements Information Below:

Warranty

Warranty Requirements

1. The Contractor shall warrant all materials and workmanship associated with the 8-inch concrete fire lane and the 6-inch concrete sidewalks for a period of one (1) year from the date of Substantial Completion.
2. The warranty shall cover, at a minimum, defects including but not limited to:
 - Structural cracking beyond normal shrinkage cracking
 - Settlement, rutting, or loss of support due to improper subgrade or base preparation
 - Scaling, spalling, delamination, or surface deterioration
 - Joint failure, including excessive raveling or separation
 - Failure to meet specified thickness or compressive strength requirements
3. Cracks exceeding 1/8 inch in width, random cracking outside of control joints, or cracks exhibiting vertical displacement shall be considered defects and subject to correction.
4. Upon written notification by the Owner, the Contractor shall:
 - Investigate reported defects within 10 calendar days
 - Propose corrective measures for Owner approval
 - Complete all approved corrective work at no cost to the Owner
5. Repairs shall:
 - Restore the fire lane to its original specified condition
 - Match existing pavement thickness, finish, and jointing
 - Not reducing structural capacity or service life
6. If the Contractor fails to respond or perform corrective work within a reasonable timeframe as determined by the Owner, the Owner may perform the work and recover all associated costs from the Contractor.
7. The warranty shall not relieve the Contractor of responsibility for:
 - Latent defects
 - Non-compliance with codes, standards, or approved mix designs
 - Manufacturer warranties for materials incorporated into the work
8. Normal wear due to traffic loads consistent with fire apparatus use shall not constitute a warranty exception.

COST PROPOSAL

Vendor Name:

Base Proposal:

_____ Dollars, (\$_____)
(above to be written out)

SIGNATURE SHEET

The below stated Vendor submits a proposal for Services in accordance with the terms, conditions, and requirements stated herein. The Vendor hereby certifies it does not have any substantial conflict of interest sufficient to influence the bidding process on this proposal. A conflict of substantial interest is one which a reasonable person would think would compromise the open competitive bid process.

The Vendor submitting this bid and any person associated with this Vendor in the capacity of owner, partner, director, officer, principal, investigator, project director, manager, auditor, or any position involving the administration of federal, state or local funds:

1. Are not currently suspended, debarred, voluntarily excluded or disqualified from bidding by any federal, state or local agency;
2. Have not been suspended, debarred, voluntarily excluded or disqualified from bidding by any federal, state or local agency within the past three years;
3. Do not have a proposed debarment pending;
4. Within the past three years, have not been convicted or had a criminal or civil judgment rendered against them by a court of competent jurisdiction in any matter involving fraud, anti-trust violations, theft, official misconduct, or other offenses indicating a lack of business integrity or business honesty; and
5. Are not currently indicted or otherwise criminally or civilly charged by a federal, state, or local government with fraud, anti-trust violations, theft, official misconduct, or other offenses indicating a lack of business integrity or business honesty; and
6. Have not had one or more federal, state, or local government contracts terminated for cause or default within the past three years.

A detailed response for any item in which the vendor has a positive answer must be included in 'Exceptions to the RFP, if any' and may be marked confidential.

SECTION 4: TERMS AND CONDITIONS

- 4.1 **Right to Reject Proposals:** Washburn University reserves the right to reject any or all proposals submitted and waive any formality, informality, or irregularity in any proposal received.
- 4.2 **Compliance with Laws:** The vendor shall comply with any and all applicable federal, state and/or local laws, regulations, ordinances, rules and orders of appropriate governmental authorities, including without limitation, those relating to payment of taxes, obtaining licenses and securing permits.
- 4.3 **Compliance of Construction Site Waste:** Contractor MUST comply with All Federal, State, and local laws or regulations applicable to the management of all waste disposal. All waste removed for abatement MUST be disposed of at a state and federally approved waste site for accepting hazardous materials. All non-hazardous waste must be disposed of at a state and if applicable, federally, approved site for accepting non-hazardous waste materials. Certificates from waste sites must be copied to Washburn University upon disposal of waste. The contractor is responsible for any damage or liability caused by incorrect disposal or improper dumping of waste, both hazardous and non-hazardous, from the job site.
- 4.4 **Award of Contract:** Any award of contract and/or purchase order resulting from this Request for Proposal will be made in accordance with the following:
- 4.4.1 Evidence of the experience, qualifications and financial responsibility of each vendor and the time of completion are all acceptable to the University.
 - 4.4.2 The award of a contract will be made on the basis of the best, qualified, and responsive proposal as determined by the University, and not necessarily the lowest price proposal. The University may reject for consideration any proposal not prepared and submitted in accordance with the provisions herein; and hereby reserves the right to waive any informalities in, or to reject any or all proposals which, in the opinion of the University, will best serve the interest of the University.
 - 4.4.3 No contract shall be considered to have been entered into by the University until all statutorily required signatures and certifications have been rendered and a written contract has been signed by the successful vendor.
- 4.5 **Contract Documents:** The response to this Request for Proposal (RFP) will be considered as an offer to contract. After final negotiations, any award of contract and/or purchase order resulting from this Request for Proposal will consist of the following:
- 4.5.1 The RFP and any addenda to the RFP;
 - 4.5.2 The provisions of the vendor's RFP response that conform to and are consistent with the University's RFP; and;
 - 4.5.3 Washburn University Purchase Order
 - 4.5.4 Any changes must be agreed to in writing by both parties prior to executing any change.

- 4.6 **Force Majeure:** The vendor shall not be held liable if the failure to perform under this contract arises out of causes beyond the control of the vendor. Causes may include, but are not limited to, acts of nature, fires, tornadoes, quarantine, strikes other than by vendor's employees, and freight embargoes, etc.
- 4.7 **Indemnification and Institutional Requirements:**
- 4.7.1 The successful vendor shall agree to indemnify, defend and hold harmless Washburn University and their respective officers, officials, consultants, agents and employees from any liability for damages or claims for damages to the extent arising from personal injury, including unauthorized disclosure by the vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract and/or property damage caused by acts alleged to be negligent in performance of any services pursuant to this Agreement by the successful vendor or the vendor's contractors, subcontractors, agents or employees under this Agreement.
 - 4.7.2 **Contract Law:** Any contract and/or purchase order(s) resulting from this RFP will be subject to the laws of the State of Kansas and all other applicable statutes. The total contract and/or purchase order(s) will include only the negotiated and executed contract and/or purchase order(s) and this RFP.
 - 4.7.3 **Contract Assignment:** No portion of the operation or of any negotiated and executed contract and/or purchase order(s) for the services may be sublet, subcontracted, or otherwise assigned by the vendor without the prior written consent of the University.
 - 4.7.4 **Contract Cancellation:** The University reserves the right to cancel the contract if:
 - 1. The quality of goods and/or services does not meet the specifications or needs of the University as specified.
 - 2. Delivery requirements, if any, cannot be guaranteed;
 - 3. Any other terms of the Request for Proposal are not met.
- 4.8 **Conflict of Interest:** The Vendor shall not knowingly employ, during the period of his contract or any extensions to it, any professional personnel who are also in the employ of Washburn University and who are providing services involving this contract or services similar in nature to the scope of this contract to the University. Furthermore, the vendor shall not knowingly employ, during the period of this contract or any extensions to it, any Washburn University employee who has participated in the making of this contract until at least two years after his/her termination of employment with Washburn University.
- 4.9 **Nondiscrimination and Workplace Safety:** The Vendor agrees to abide by all federal, state and local laws, rules and regulations prohibiting discrimination in employment and controlling workplace safety. Any violations of applicable laws, rules and regulations may result in termination of this contract.

- 4.10 **Insurance:** The vendor shall maintain adequate liability insurance to protect the University and the general public against any loss, damage, and/or damage, and/or expense related to his/her performance under the contract. The insurance coverage shall include, but shall not necessarily be limited to, general liability, worker's compensation, professional liability, etc. Written evidence of the insurance coverage shall be provided to the University on Acord form 25.
- A. Worker's Compensation with present limit of at least \$1,000,000.
 - B. Employers Liability, with a minimum of \$1,000,000 limit of liability per occurrence.
 - C. Commercial General Liability, including contractual liability coverage, with the following minimum limits of liability: \$1,000,000 per occurrence for Bodily Injury and Property damage, Personal and Advertising injury, \$2,000,000 General Aggregate and,
 - D. Professional Liability in the minimum of \$1,000,000 per claim

All required insurance coverage hereunder, must be written by an insurance Company authorized by the state in which the Project is located to provide such insurance coverage in such state and approved by Owner, and must be written under either standard form approved by the Department of Insurance of the state in which the Project is located or policies in form and content satisfactory to Owner. Carrier shall have an AM Best rating of A or better. Any certifications requested and provided shall contain a provision that the coverage offered under the policies shall not be canceled, non-renewed, or materially changed until at least 30 days prior written notice has been given to the University.

- 4.11 **Independent Contractor:** Both parties, in the performance of this contract, shall be acting in their individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be construed to be the employees or agents of the other party for any purpose whatsoever. The successful vendor accepts full responsibility for payment of unemployment insurance, workers compensation and social security as well as all income tax deductions and any other taxes or payroll deductions required by law for its employees engaged in work authorized by this contract.

- 4.12 **Responsibility of the Vendor:** No consideration will be granted for any alleged misunderstanding of the requirement of the Request for Proposal documents, it being understood that the tender of a proposal carries with it the agreement to all provisions of the proposal documents. All vendors are expected to read the proposal documents and respond in the manner directed. All questions asked herein should be answered and all information requested herein should be supplied.

Before submitting a proposal, all bidders shall satisfy themselves as to the existing conditions under which he/she will be required to operate in performing their work. The bidder is not required to visit the job site prior to submitting a bid. No allowance will be made subsequently in behalf of the Vendor for any errors or negligence on their part.

In cases where work is to be let to subcontractors, the Contractor letting any such work will be held responsible for the proper performance of the work. The bidder is to provide the names and trades for their subcontract bidders to whom they propose to sublet portions of the work and/or warranty. The University reserves the right to approve subcontractors prior to their being hired by the vendor. References for any subcontractors listing their prior works shall also be included in the proposal. Responses to subcontractor references will also be made in the response document as required or necessary. The Contractor will be responsible for the effective coordination and supervision of his subcontractors. The Contractor shall coordinate all activities with the University and subcontractors.

The specifications and Drawings exhibit the intent and purpose of the University regarding the work, and they shall be so considered by the bidders. Accordingly, the bidders admit and agree that they are not complete in every detail and that work and materials not indicated or expressly mentioned in the specifications, but which are manifested necessary for the full and faithful performance of the work in accordance with the true intent, will be included in their proposal and incorporated into the work the same as if indicated and specified. In the case of ambiguity with regard to quantity and/or quality, the bidder shall include in the proposal the better quality and/or greater quantity and all costs therewith shall be included in the proposal.

The University will not consider a proposal for change of materials which would be inferior to those drawn or specified. The decision of the University in each instance shall be final.

Date of Completion shall be the number of Calendar days as submitted on the Bid Proposal Form by the Contractor added to the Notice to Proceed or Earliest Starting Date as determined by the Project Coordinator, whichever comes last.

The bidder shall be responsible for all scheduling and coordination of all activities and contracts. The bidder shall keep the Project Coordinator informed of all such scheduling. The Contractor shall maintain a superintendent/foreman on the premises at all times while installation/assembly is in progress by the contractor or contractor's subcontractors.

- 4.13 **Payments:** Parties to the contract will be Washburn University and the vendor. Invoices for all services and reimbursable expenses will be submitted to the Washburn Board of Regents on a monthly basis for approval by the Board President. Approved payments will be subsequently made by Washburn University in accordance with the contract.

Payment Terms are NET 30.

- 4.14 **Taxes:** The University is exempt from federal and state taxes including sales, excise and transportation taxes.

- 4.15 **Shipping Terms:** All items awarded shall be provided F.O.B. Destination as specified herein. This shall include unloading, inside delivery and unpacking.
- 4.16 **Prohibition of Gratuities:** Neither the contractor nor any person, firm or corporation employed by the contractor in the performance of this contract shall offer or give any gift, money or anything of value or any promise for future reward or compensation to any University employee, officer, or Board of Regents member at any time.
- 4.17 **Notification of Award:** An award is made on execution of a written contract or purchase order. Only the University is authorized to issue news releases relating to this Request for Proposal, its evaluation, award and/or performance of the contract.
- 4.16 **No Liens:** Vendor shall keep the University free and clear of any and all liens asserted by any person or organization for any reason arising out of or as a result of the furnishing of goods and/or services by the vendor or by a third party.
- 4.18 **Governing Law:** This contract shall be governed by the laws of the State of Kansas and shall be deemed executed at Topeka, Shawnee County, Kansas.
- 4.19 **Jurisdiction:** The parties shall bring any and all legal proceedings arising hereunder in the State of Kansas, District Court of Shawnee County. The United States District Court for the State of Kansas sitting in Topeka, Shawnee County, Kansas, shall be the venue for any federal action or proceeding arising hereunder in which the University is a party.
- 4.20 **Competition:** The purpose of this Request is to seek competition. The vendor shall advise the Director of Purchasing if any specification, language or other requirement inadvertently restricts or limits proposals to a single source. Notification shall be in writing and must be received by the Purchasing Office no later than five (5) business days prior to the request for proposal closing date. The Director of Purchasing reserves the right to waive minor deviations in the specifications which do not hinder the intent of this Request.
- 4.21 **Acceptance:** No contract provision or use of items by the University shall constitute acceptance or relieve the vendor of liability in respect to any expressed or implied warranties.
- 4.22 **Breach:** Waiver or any breach of any contract term or condition shall not be deemed a waiver of any prior or subsequent breach. No contract term or condition shall be held to be waived, modified, or deleted except by a written instrument signed by the parties thereto. If any contract term or condition or application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition or application. To this end the contract terms and conditions are severable.

If the Vendor shall fail, refuse and/or neglect to comply with the terms found herein, such failure shall be deemed a total breach of the contract and contract may be terminated,

canceled, or suspended, in whole or in part. If the contract is terminated, canceled, or suspended for failure to comply with this section, the Contractor shall have no claims for damages against the University on account of such termination, cancellation or suspension or declaration of ineligibility.

4.23 Disclosure of Proposal Content:
Kansas Open Records Act

All proposals become the property of Washburn University. In providing a proposal to the Washburn University Board of Regents, the vendor attests to an understanding that the Kansas Open Records Act, K.S.A. 45-215 *et seq.*, applies to the documents provided by the vendor, and thus pursuant to K.S.A. 45-221(a)(28) all such documents will become publicly available if requested, once a bid has been accepted or all bids rejected.

No proposals shall be disclosed until after a contract award has been issued. The University reserves the right to destroy all proposals if the RFP is withdrawn, a contract award is withdrawn, or in accordance with Kansas law. Late Technical and/or Cost proposals will be retained unopened in the file and not receive consideration.

Trade secrets or proprietary information legally recognized as such and protected by law may be requested to be withheld if clearly labeled “Proprietary” on each individual page **and** provided as separate from the main proposal. Pricing information is not considered proprietary and the vendor’s entire proposal response package will not be considered proprietary.

All information requested to be handled as “Proprietary” shall be submitted separately from the main proposal and clearly labeled, in a separate envelope or clipped apart from all other documentation. The vendor shall provide detailed written documentation justifying why this material should be considered “Proprietary”. The Washburn University Purchasing Office reserves the right to accept, amend or deny such requests for maintaining information as proprietary in accordance with Kansas law.

At the time of closing, only the names of those who submitted proposals shall be made public information. No price information will be released.

4.24 Inspection: The University reserves the right to reject, on arrival at destination, any items which do not conform to the specifications of this Request.

- 4.25 **Notices:** All notices, demands, requests, approvals, reports, instructions, consents or other communications (collectively "notices") which may be required or desired to be given by either party to the other shall be **IN WRITING** and addressed as follows:

Gabrielle Rye
RFP 26008
Morgan Hall Room 214
1700 SW College Ave
Topeka, KS 66621
Gabrielle.Rye@washburn.edu

- 4.26 **Data Security:** In the performance of this contract, the vendor will become a holder of and have access to private data on individuals. In performance of the contract, the vendor agrees it will comply with all applicable state and federal laws and regulations relating to confidentiality of information received as a result of the contract. The vendor agrees that it, its officers, employees and agents will be bound by confidentiality laws and that it will establish procedures for safeguarding the information.

Upon selection for a contract, the vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the vendor while executing this contract.

The vendor shall not use the names, home address, phone numbers, or any other information obtained by implementation or execution of this contract about employees, citizens, vendors or other information for any purpose other than the performance of this contract.

All Washburn University information or data is considered confidential. Vendor agrees to return any or all information or data furnished by the University promptly at the request of the Board or University, in whatever form it is maintained by vendor. Upon termination or expiration of this contract, the vendor and each of the persons and entities working for the vendor shall destroy or return all requested data, electronic information, written, or descriptive materials or any related matter of any type including but not limited to drawings, blueprints, descriptions, or other papers or documents which contain any such confidential information.

- 4.27 **Compliance with Laws, Ordinances, Codes and Standards:** All work shall be accomplished in strict conformity with all laws and ordinances applying to the operations under this contract, including the latest rules and regulations of all municipal and public authorities having jurisdiction. Installation shall also meet the standard requirements of National Electrical Code (NEC), NFPA Life Safety Code and Occupational Safety and Health Administration (OSHA-Federal and State) and local ordinances. The Contractor will be held to complete all work necessary and to provide all equipment required to comply with the foregoing without extra compensation.

If the Contractor observes that the drawings and specifications are in variance therewith, he shall promptly notify the Washburn Purchasing Director in writing and any necessary changes will be adjusted as provided for in the Contract for changes in work. If the Contractor performs any work knowing that it is contrary to such laws, ordinances, or building codes, he shall bear all cost arising therefrom.

- 4.28 **Exceptions:** As part of the proposal response, vendors shall indicate any part of the proposal document with which they take exception. Any exceptions taken should be outlined in their response with cross reference to the portion or section of the proposal document with which the exception is being taken.
