

TO SELF-MANAGE YOUR 2-FACTOR DEVICES:

1. If you need to add a new authentication device/phone, manage your existing devices, change your phone number, or re-activate Duo Mobile, please go to <https://2factor.washburn.edu>:

WASHBURN UNIVERSITY

 **TWO FACTOR MANAGEMENT PORTAL LOGIN**

Access to this site is restricted to the Washburn community and requires authentication. If you need assistance, please contact [Washburn ITS](#).

[Reset an expired or forgotten password](#)
By using this system, you agree to abide by [Washburn University's IT Policies](#)

Using your Washburn credentials, log into <https://2factor.washburn.edu>. Be sure to perform the Captcha check by checking the checkbox for **I'm not a robot** and following the directions that may pop up. Click on **Submit**.

2. Click on **Send Me a Push**. All you need to do is tap **Approve** on the **Duo** login request received at your registered phone/tablet, then you can manage your devices.

If you need help enrolling/managing your 2-factor devices in **Duo**, connecting to your **PaloAlto GlobalProtect VPN** client or to **VDI**, or mapping to Washburn network drives once connected, contact support@washburn.edu or call 785-670-3000.
