- VIII. Public Forum I:
- a. Student Media: Fiscal Year 2026 Audit, Regina Cassell
 - i. Student Media was allocated 120,065.09 from the Student Activity Fee. Due to an error within the budget office, they initially received 150,000. The error was corrected and back to the allocated 120,000 leaving Student media without the 30,000. The largest increase for the 2027 year will be payroll. Payroll guidelines needed to be updated in order to match HR guidelines. Before the changes, freelance workers were paid per article now they are paid through an hourly rate. Payment starts at 10 but goes up to 12 for leadership. For the 30,000 that was given, it is requested that Student Media receive that money back. If it is not given back, Student Media will end the year with a 28,726 deficit. Ad sales have decreased for Washburn Review due them posting serious and controversial topics.
- IX. Public Forum II:
- a. Spirit Squad: Fiscal Year 2026 Audit, Tia Bensyhek
 - i. Spirt Squad was allocated 30,500 dollars for FY 26. They had 8,000 in other revenues. Total expenditures equaled 19,783.87 for Cheer and 17,473.60 for the Dance Team. This evens out to 522.85 per student for Cheer and 813.33 per student for the Dance team. Cheer ended the year with a 1,500 deficit, and

dance had a 5,000 deficit. Spirit Squad members do a lot for campus and their community. This means there is a great expense associated with all the activities they do. Cheer and Dance are both under Spirit Squad, but they are separated into their own budget items. Student life contributed 8,000 to pay for the camp, but that money was over expended as well.

X. Public Forum III:

a. Homecoming: Fiscal Year 2026 Audit, Dr. TLC

- i. Homecoming received 6,500 in allocated funds. There was 14.49 dollars left from that budget. Funds were used on Bod Bash, Awards, Yell like Hell, and Giveaways. Homecoming also receives \$11,500 from Student Life. The reason Homecoming was allotted 8,000 instead of 6,500 in the initial error in the internal WSGA working budget form. In that document it stated that Homecoming received 8,000 dollars, so the current administration based their budget on that number. If given the \$8,000 instead of the \$6,500, they will look to upscale within the budget.

XI. Public Forum IV:

a. Campus Activity Board: Fiscal Year 2026 Audit, Vice President Clark (lack of CAB representative)

- i. CAB was allocated 69,511.36 in FY 2026. Their expenditure totaled 64,847.10, meaning they had 4,664.26 left over. Due to a previous bill passed by Senate this year, CAB will not receive a FY 2027 allocation. The upcoming audit committee in the Spring will be able to review and talk to CAB to decide what to allocate for FY 2028.

b. Washburn Student Government Association: Fiscal Year 2026 Internal Spending Audit, Budget Director Reynoldson

- i. WSGA collected 670,421.50 from the Student Activity fee. They kept 442,345.05 for their own operations. Their expenditures equaled 353,731 dollars. This left a balance of 72,600.34 dollars. Much of the reason for this underspending is due to student organizations and grants not seeking

reimbursement for the money that they were allocated. There was \$50,023.54 in funds that were allocated to student organizations but not reimbursed and \$36,149 for student grants. This is due to students not submitting receipts for reimbursement.
